### Dear Fellow Kiwanians:

**GREETINGS FELLOW KIWANIANs**, we are now into March, and I hope all is well with you and yours!

Ever heard the expression "there's something in it for everyone"? This year's MO-ARK Mid-Year get together is upon us and I submit it offers something for everyone. The theme sings **"MAKE IT HAPPEN"** which suggests you come and see for yourself. Our Mid-Year Committee led by Susan LaFond and Katie Rennard have been hard at work seeing to it that this year is **SPECIAL**. This year's mid-year is called **"RETREAT."** Why? Because this year it not just educational (and it is that) but it is so much MORE.

Webster defines "retreat" to offer a place of refuge, to draw back, to escape. We hope this year you will join us at Mid-Year Retreat where we together escape the mundane and usual with offerings, we hope you find and enjoy as **NEW, EXCITING AND USEFUL**.

Next you ask, like what? Do you enjoy gardening, for example? This year we offer **"Kids Need Gardening"** to be presented by The founder (1992) of Dunbar Garden in Little Rock, AR, Mr. Pratt Remmel. They strive to make a difference in children's lives through the lessons taught in the garden. We hope you take some of this home with you and involve the kids outdoors with their hands in the dirt.

What else? Kids need fishing too, perhaps so do you. This Retreat also offers **"Fly Fishing 101"** taught by our very own Div. 19 LTG Dennis Kurczek, a licensed guide in his spare time. This allows those among us already "hooked," and those simply curious, to explore the possibilities fly fishing offers. Another bonding opportunity with the kids when we get home.

Those, and many more, are offered on Saturday, March 23. Late afternoon Friday, March 22, we are pleased to present two Kiwanians (Ryan Aubuchon and Dan Yates) to present and answer your questions about Gift Giving and Estate Planning. This is a quiet opportunity to discuss how best to structure and deal with eventualities we all face and are probably thinking through, such as IRAs, Required Minimum Distributions (RMD) and what to do.

We, of course, offer educational opportunities. Is your club trying to attract younger members? We offer a program Saturday to address just that put on by...you guessed it-younger members. And there is more.

Opportunity service? Yes, there will be a hands-on service project offering so you can roll up your sleeves and help

## Kiwanis Clubs in Action

### Kiwanis Clubs of O'Fallon and Cottleville/Weldon Spring Hold Trivia Night

The weather forecast for February 16th was for snow on the day of the Kiwanis Trivia. Yes, the snow came... 3 inches plus and the event hall attendants worked hard to clear the parking lot and keep it de-iced. Kiwanis members braved the weather and set up the hall.

Member volunteers from the O'Fallon and Cottleville/Weldon Spring Kiwanis Clubs pitched in to set up the silent auction plus games of 50/50 and Kiwanis-opoly. Everyone could smell the freshly made popcorn thanks to the efforts of Kiwanis member US Bank's Brian Mack. The popcorn went well with the donated Krey Distributing beer and craft beer from Urban Chestnut.

New to the event this year was the addition of Craft Beer and the addition of a second MC who narrated the Kiwanis-opoly board game. This year in 8 rounds they added a Kiwanis trivia round with the object of having all the players notice information found on each table, signs throughout the hall, and information about Kiwanis as the players played Kiwanis-opoly.

Mother Nature may have thrown Kiwanis a curve, but everyone ended up braving the storm, having fun, and players left with several reasons to support Kiwanis.

### Kiwanis Club of Foreman Works to Rebuild

Foreman Kiwanis president Dianna Bradley and past president Barbara Brown were recognized for their hard work. During covid-19 membership dropping to 3 members they worked tirelessly and to rebuild the club to 15, this is a long overdue recognition for these members and their devotion to Kiwanis and their club. Region VII Trustee Elbert Bradley made the presentation.

### Kiwanis Club of Crestwood-Sunset Hills Kiwanis Club

The Crestwood-Sunset Hills Kiwanis Club has consistently sponsored and supported youth service programs in the Lindbergh School District. Not only do they help financially, but also complete joint service projects with the students and annually invite them to the meetings to get updates on their activities. Recently the club hosted the Builders Club sponsor Jessica Austermann with one of the Builders Club officers and Key Club sponsor Lindsey Borcharding with officers from the Key Club. The club is proud to work with these dedicated faculty sponsors and fantastic youth leaders! (Pictured below with the Builders Club is former club president Kevin Hollander and with the Key Club groups current president Sarah Cantrell.)

### Kiwanis Club of Hot Springs Village Supports Imagination Library

The Kiwanis Club of Hot Springs Village has been a supporter of Imagination Library for many years. With the effort to increase the club fundraising goals this year Kiwanis was able to double the annual donation.

At the January 25th meeting, the Kiwanis members were given an update on the work of Imagination Library of the Ouachitas by board member Dr. Penny Beed.

This covers the 3 counties of Garland, Montgomery and Pike. In this 3 county area there are 4745 children registered which is 80% of eligible children birth to 5 years old. Since June of 2012 they have mailed out 282,932 books. It only takes \$26 for one child to receive 12 books a year and \$130 for that child to receive 12 books a year for 5 years. <https://www.GarlandCountyImaginationLibrary.org>

### Kiwanis Club of Joplin participated in S'Mac Down

The Kiwanis Club of Joplin participated in the Joplin Boys & Girls Clubs of America fundraiser 'S'Mac Down'. S'Mac down is a Macaroni and Cheese contest. Boys & Girls Club of Southwest Missouri's S'MAC Down Mac & Cheese Fest Fundraiser was held on Saturday, Feb. 24. They not only were a sponsor, but a contestant as well. The club is proud to say they took first place in the Non-professional category! Kiwanian and Past President Shawna Wheat created our mac and cheese entry. She is shown here with the 1st Place Certificate.

For the second year, Kiwanis Past President Shawna Wheat provided the mac & cheese dish for the event and her recipe and the club's presentation won 1st Prize in our category. In addition to entering a team in the competition, the club served as a "String Cheese" level sponsor (\$150). It's the second year your Kiwanis Club of Joplin supported this event. Last year the Boys and Girls Club of Southwest Missouri served more than 75,000 meals and snacks! Their mission is to provide kids with a safe and encouraging environment, to develop character, life and leadership skills, and self-respect. Members do not just "hang" out and play games. They are involved in diverse programs that do everything from homework, and tutoring, to fun and organized healthy lifestyle programming.

Shown in the other photo are L to R, Shawna Wheat, Cobie Eichman, Bill Eichman, Marda Schroeder, who staffed the booth during the contest.

The Kiwanis Club of Joplin is proud to be a sponsor of this and other groups benefiting children in the Joplin area.

### Kiwanis Club of O'Fallon Gives Scholarships for Safety Town

This year is the ninth year that the O'Fallon Kiwanis Club is providing scholarships for preschool children to the O'Fallon Police Department's Safety Town. These scholarships allow a number of children to participate each year who wouldn't be able to participate without this help. Nine years ago, the club donated a tent that looks like a Police Station to use in their simulated city layout. Pictured is that tent and the children who were participating in one of the sessions. Kiwanis members Ed and Martha Radginski presented the check to Officers Andy Lubiewski and Bob Schoonover for the 2024 session.

O'Fallon Safety Town is a nationally accredited child accident prevention program put on by the O'Fallon Police Department that introduces safety awareness and preventive procedures to children, ages 4½ through 6½ years old. The program uses a simulated city layout, a classroom facility, and an off-campus field trip.

Under the guidance of police officers, a certified teacher, paramedics, firefighters, railroad police and trained volunteer staff, children experience "real life" situations. In accordance with their age and maturity, children are taught to evaluate "safe from unsafe" and how to react safely when confronted with dangerous situations.

Safety Town is a yearly tradition that officers look forward to just as much as the kids who attend. Each day is dedicated to a different topic, and children also learn catchy songs and rhymes that will help them remember vital safety information.

### Interclub Contest! Will you qualify???

Did you know that MOARK is doing an Interclub Contest? More information can be found here <https://k14.site.kiwanis.org/governors-interclub-contest/>. Please try to do an interclub visit with each one of the clubs in our Division. You will meet great people and maybe learn a thing or two. If you need contact information, contact your District Secretary Angie Oshia at [kiwanismoark@outlook.com](mailto:kiwanismoark@outlook.com).

- Inter-clubbing is an exciting activity for club members to participate in.
- It will benefit your club to visit other Kiwanis clubs to provide friendships, sharing, and learning ideas for growth, service projects, speakers for programs, co-sponsoring projects, Sponsored Youth programs and many other benefits.
- The club Secretary will keep records, tabulate points, forward the information monthly to their Lt. Governor and present a final tabulation at the end of the administrative year to the Mo-Ark District Inter-Club Committee chair.
- The club that has the most points in their Division, respectively, will be recognized and receive a patch from their Lt. Governor. Ultimately, a trophy will be awarded by the Governor at the Mo-Ark District Mid-Year Retreat to the club scoring the highest points for the year in the entire Mo-Ark District, suitably emblazoned, theirs to display until the next year (travelling trophy).

### Kiwanis Club of Batesville K-Kids raise funds to help the community

The West Elementary K-Kids (sponsored by the Batesville Kiwanis Club) had the honor of presenting two donations to their community at a school wide assembly Feb.2nd. Their first fundraising event was a Christmas Dance. Thanks to the fourth and fifth graders and the help of many teachers, they were able to present \$500.00 to Our Father's Table (a soup kitchen to help feed the ones in need). K-Kids members Kyle Webb, Alayna Tucker, and Brody Trivet presented Mrs. Lisa Grissom with the check. Mrs. Grissom thanked everyone for the donation and stated that the money raised would be stretched into as many as 1000 meals for the hungry of Batesville. The second donation involved a school wide collection of animal foods, treats, toys, bedding, and sanitation supplies for the Independence Co. Animal Shelter. The K-Kids partnered with the counselors for the Great Kindness Challenge, and challenged the students of West Elementary to show kindness to the animals at the shelter. Mrs. Heather Fulbright accepted the donations from members Esmirna Vasquez, Kingston Ward, Isabelle Geary, Nicole Marroquin, and Zaire Aleman. Mrs. Fulbright thanked the students and then told them a little about the work done at the shelter.
