**Ronald McDonald  
House Charities®**

Eastern Wisconsin

The service project at Midyear is acting as the final part of Liana Opitz and her Circle K Governor's project in supporting the Ronald McDonald House Charities (RMHC)! As a group, we will be creating themed kits for families staying at the Ronald McDonald House. Our kits will be thoughtfully assembled to meet the immediate needs of these families and offer a sense of comfort during a difficult time.

By participating in this project, we hope to not only provide practical support but also uplift the spirits of families. The creation of these kits will demonstrate our collective compassion and commitment to supporting those in need while strengthening our community ties.

To support this service project, please look at collecting and bringing items (purchased new!) from this list to Kiwanis Midyear/CKI DCON:

- Care kits (travel size items): toothbrush, toothpaste, deodorant, shampoo, conditioner, body wash, hand sanitizer, and facial tissue
- Fun Kits (for ages 3-6): small puzzle (age-appropriate, 24 pieces or less), small toy (ex: Hot Wheels car, doll, slinky, mini magnetic drawing board), sensory toy (ex: pop-its, pop tubes, fidget spinner), card games (ex: matching, go fish), and small books (ex: I Can Read Series)
- Ziploc bags: we need gallon-size bags as well as 2.5 gallon bags to create each kit
