BURLINGTON CLUB HOSTS EGGS-TRAORDINARY OMELET FUNDRAISER

Submitted by Paul Holley, Division 1 Lt. Governor

The old saying "You can't make an omelet without breaking eggs" certainly held true for the Burlington Kiwanis Club at its 71st Pancake Breakfast event on Sunday, April 13. Members, families and friends served an estimated 300 made-to-order omelets, as well as nearly 1,000 pancakes with sausage, scrambled eggs,

fruit and potatoes. Proceeds from the club's pancake breakfast go toward a variety of youth programming including baseball, youth soccer, the Kiwanis art awards, Boy Scouts and Safety Town, a Kiwanis educational program that aims to teach safety awareness and emergency prevention procedures to children.

GOVERNOR DURNER ISSUES TWO-FOLD CLUB GROWTH CHALLENGE

Submitted by 2024-2025 Governor Kathy Durner

Kathy Durner

With spring finally in the air, we have renewed excitement to grow our Kiwanis clubs. We have much to accomplish before the end of the year. With two-thirds of our Kiwanis year behind us, we still have four months to build more clubs and increase our membership to make a significant

difference in our communities. How can this happen?

I sent out a two-fold challenge to our clubs. The first challenge is increasing our club membership in the months of May and June. Since May is membership month, I am challenging each club to bring in new members. The club with the greatest membership increase in May and June will receive \$100 and a trophy.

The second challenge involves club growth. The club with the greatest growth from October 1, 2024 through August 1, 2025 will receive \$100 and a trophy. Even

if you have already brought in new members, you have time to grow your club. Little changes can result in amazing growth, new ideas, increased energy and excitement within the club, and more children served.

An example of what happens when your club membership grows by even one or two members:

- All members show a little more excitement.
- People volunteer to serve in club leadership positions.
- Members meet other like-minded members to share their outside interests with.
- More people are available to review scholarships.
- More members bring in new ideas for projects, activities, and fundraisers.
- We laugh more.
- More children and communities are served.
- Kiwanis grows.

GOVERNOR'S PROJECT TO SUPPORT WAWBEEK AND BAY CLIFF CAMPS

Submitted by 2024-2025 Governor Kathy Durner

The goal of my governor's Project is to raise funds for Camp Wawbeek and Bay Cliff Health Camp. Both camps serve children with special needs. Camp Wawbeek has requested new tables for the arts and crafts room while Bay Cliff Health Camp has requested financial support for general operating needs.

Camp Wawbeek

Participants at Camp Wawbeek are grouped according to disability and specific needs during a six-day session. Group activities are provided for all participants. To the camper, it may feel like a vacation with boat rides, bowling, adventures in the Dells area, arts and crafts, swimming, campfires, and dances. To the caregiver, it is a physical and mental health break to recuperate from a 24/7/365 commitment. The cost to attend ranges from

\$1,274 to \$1,751, depending on the type of session.

Camp Bay Cliff

As a reminder, it costs \$10,000 to support a child while at camp for seven weeks. All of the camper's needs are covered. The camp even has a clothes closet from which the camper chooses their wardrobe for the next week. An individualized program is developed to meet each camper's specific needs. All of this is accomplished in a family-like setting, including shared meals, a huge birthday party, small group activities, and individually-developed therapies. College students share their talents with the campers as part of the curriculum.

KEY CLUB DISTRICT GOVERNOR OUTLINES IMPRESSIVE ANNUAL GOALS

Submitted by Carter Kuenzi, 2025-2026 WIUM Key Club District Governor

Carter Kuenzi

My name is Carter Kuenzi, and I am proud to be serving as the 2025-2026 Key Club District Governor. I am currently a junior at Beaver Dam High School, and this year marks my third term on the WIUM Key Club District Board.

In previous years, I served as Lieutenant Governor and most recently as Director of Committees. These experiences have prepared me to lead our district with a strong understanding of Key Club's structure and the needs of our members. I am excited to continue growing in service leadership and to work alongside the WI-UM Kiwanis District Board to strengthen our shared mission.

This service year, I have established four key goals for our district. First, we aim to increase membership by 10%. This will be achieved through targeted recruitment, enhanced retention strategies, and renewed outreach to schools without clubs. Second, we are working toward reaching 100 paid, active clubs. This includes reactivating suspended clubs, supporting struggling ones, and chartering new clubs across the district. Third, we plan to raise \$8,500 collectively for Key Club International's preferred charities and the governor's project.

We hope to reach 400 attendees at our 2026 district convention. This goal reflects our desire to create an

exciting, accessible, and inspiring event for all members, building community and celebrating service.

The Key Club district board recently participated in our annual new board training weekend, which serves as the foundation for our board's success. The weekend included comprehensive training on topics such as the Kiwanis Family, Key Club International resources, club building and chartering, officer responsibilities, committee structure, and district operations. We are also dedicating time to develop key initiatives that will be launched throughout the service year to increase

**KEY
CLUB®**

engagement, improve communication, and elevate the Key Club experience at the club level.

Additionally, I am currently working on creating a Key Club-Kiwanis counterpart list. This resource will allow for more direct and intentional collaboration between Key Club district board members and Kiwanis board members. I look forward to sharing this with you soon, as it will open the door for stronger relationships and mutual support between our organizations.

Thank you for your ongoing commitment to youth leadership and for your continued partnership with Key Club. I look forward to a productive and impactful service year, and I am eager to work together to achieve our shared goals.

OFFICIAL CALL: 2025 WI-UM DISTRICT CONVENTION • ONEIDA HOTEL & CASINO • GREEN BAY • AUGUST 22-24

Article VI, Section 3 of the Bylaws of the Wisconsin-Upper Michigan District of Kiwanis International requires the Executive Director to notify each charter club an official call to the Annual Convention at least sixty days prior to the date of the same.

Your attention is invited to District Bylaw Article 13 Section 1 regarding bylaw amendments to be considered by the House of Delegates at the Annual Convention.

"Proposed amendments, which shall be submitted only by a club in good standing or by the District Board of Trustees, shall be received by the Executive Director at least sixty days prior to the date of the convention. The Executive Director shall send a copy of all proposed amendments to the secretary of each chartered club not less than thirty days prior to the date of the convention." Therefore, any proposed amendments must be post-marked to the district office by Monday, June 23, 2025.

REGISTRATION IS OPEN FOR THE WI-UM KIWANIS DISTRICT CONVENTION

Submitted by Justin Hahn, WI-UM Kiwanis District Executive Director

The theme of this year's WI-UM district convention is "Mooo-ving Wisconsin Forward." The August 22nd-24th event will be held at the Oneida Casino Hotel, 2040 Airport Drive in Green Bay, Wisconsin. Plan to gather for an unforgettable weekend filled with Kiwanis fun, education, celebrations, fundraising and conducting district business.

Book your hotel reservations at the Oneida Casino Hotel by calling 920-494-7300, referencing group code 789 or book a room online at <https://book.rquest.com/wbe/group/2187/oneidacasino/auth> using the group code 739 and the password 63309133. The deadline to receive the \$139 group rate is July 31, 2025.

Fun Family Program

New this year, we are offering a family program at a cost of \$10 per person. Visit Lambeau Field on game day, the

Packers Pro Shop, Farmer's Market, Bay Beach Wildlife Sanctuary and Bay Beach Amusement Park. Note: Lunch and rides at Bay Beach are on your own. Tour departs the hotel at 8:30am and returns to the hotel by 3pm.

Friday Night Dinner Aboard the Train

Dinner aboard a train at the National Railroad Museum includes hotel shuttle and entrance ticket with a one-hour train ride along with a roast pork dinner. A non-pork menu is available if requested at registration.

Informative and fun workshops, team-building skills sessions, awards presentations, club leadership education, the CKI Miracle Minute, the KDF basket raffle, fabulous breakfast, lunch and dinner selections, camaraderie and laughs await you in Green Bay. **Register online** at k30.site.kiwanis.org/dcon no later than August 1, 2025. You'll be glad you did!

REBECCA MATTSON ANNOUNCES GOVERNOR-ELECT CANDIDACY

Submitted by Rebecca Mattson, Division 12 Lt. Governor

Becky Mattson

I am pleased and excited to submit my name for consideration as your 2025-2026 Wisconsin-Upper Michigan District Governor-elect.

I am passionate about Kiwanis and have dedicated my adult life to working with youth through my career and my volunteer efforts in the community. I currently serve as the WI-UM District K-Kids and Builders Club Administrator. I am a member of the District Executive Board, Division 12 Lt. Governor, and the Secretary of the Kiwanis Club of Eau Claire.

Before I became a Kiwanis member, I attended several district conventions as the spouse of a Kiwanian. I learned about Service Leadership Programs (SLPs) and longed for a club at the elementary level, since I taught at Robbins Elementary School. In 2000, I became a Kiwanis member and chartered the fourth K-Kids Club in our district, serving as the faculty advisor and later as the Kiwanis advisor for 20 years. I also chartered a new K-Kids Club at the Chippewa Valley Museum.

SLPs have played a significant role in my Kiwanis experience. I have advised and mentored adults and youth through K-Kids, Builders Club, Key Club, and Circle K. I am currently the K-Kids advisor at the museum and the Key Club advisor at Memorial High School. My club has sponsored SLPs at all levels, providing me with a strong foundation to help our district develop its young leadership potential.

Since my retirement from teaching in 2017, my Kiwanis club honored me with a faculty advisor service award, just before I assumed a leadership role in the club. I served as president-elect, president, and secretary. I was honored to receive my club's highest accolade – the 2022 Terry Sheridan Award – in recognition of exemplary service and commitment to the Kiwanis Club of Eau Claire. Additionally, I have received Distinguished

Service Awards from my club and Distinguished President, Secretary, and Lt. Governor Awards from the district. I have served as a club delegate at many district conventions and two international conventions.

Literacy was a key focus in my 37-year teaching career and continues to be important to me. I had many different leadership opportunities in our local school district– serving on district curriculum committees, speaking at workshops/conventions, spearheading an action-research project for the State, and collaborating on a team through UW-Eau Claire to educate and guide teachers. In 2017, I received the Excellence in Education Innovation in Teaching Award from the Eau Claire Chamber of Commerce, and I was nominated twice for the Kohl Teacher of the Year award.

I developed a drama club at my school, managed the school store with K-Kids and worked with members to spearhead family nights attended by up to 500 people. I have been a Girl Scout leader, youth choir director, church choir member, and cantor. I volunteer with The Community Table, direct youth shows, teach drama classes and lead tours at the Chippewa Valley Museum/ Wisconsin Logging Museum.

My journey with Kiwanis has been deeply rewarding, filled with countless moments of joy and inspiration. I am blessed with support from my son, Josh, and my daughter Rachel. My mom and siblings are also of great encouragement. I am a native of Minnesota and have lived in Eau Claire since August 1981. I believe firmly in the Objects of Kiwanis and the Kiwanis Vision – that one day all children will wake up in communities that believe in them, nurture them, and provide the support they need to thrive.

I look forward to your support and welcome any questions or feedback you may have.

PILOT PROJECT DESIGNED TO BOOST MEMBERSHIP ANNOUNCED

Submitted by Justin Hahn, WI-UM Kiwanis District Executive Director

Justin Hahn

Your WI-UM Kiwanis District is embarking on an exciting new venture to help clubs grow throughout the district and potentially throughout all of Kiwanis International.

We are planning to launch a pilot project and are seeking ten clubs concerned about their membership and interested in growing with the help and support of both district and international personnel. The benefits to your club may be self-evident, but perhaps not so obvious are the benefits to Kiwanis and our district. Consider the following:

Benefits to your club

- Welcoming new members to share in your work, boost your service power, bring new ideas and enthusiasm, and rejuvenate your club.
- Members will learn how to make recruiting new members a natural and continuous process; individual members will gain in skill and confidence, each rising to his or her potential.
- Your club will determine what recruiting techniques and programs work well for you in your community taking into account your local culture, needs and concerns.
- Your members will make new friends, discover unmet needs within the community, and make a more significant difference in the local area.

Benefits to the district and Kiwanis International

- We will know what tactics work or don't work for certain regions, and types of communities.
- We will better understand what specific training, knowledge, and resources clubs and members need to focus on membership and successfully grow to a size they determine fits their needs.
- We expect to see future leaders of the district come out of these clubs.
- These clubs will be positioned to train other clubs/ demonstrate successful efforts to those in their division and the entire district.

- One year from the beginning of this effort, we will know which clubs have grown, what they learned, and what they still need to do.
- Clubs will be recognized in the *Kiwanews* and at our district convention, and may be asked to help share their experiences with other clubs at the convention and midyear conferences.
- Our successes and the things we learn will help Kiwanis International work more effectively with clubs throughout the organization.

The District will supply leadership and support to the clubs in the pilot project. The project is designed to help clubs that meet the following criteria.

1. Clubs under or near charter strength (15 members) or who have had negative growth over several years.
2. Clubs that genuinely desire to grow and are willing to meet with district and international personnel (weekly, monthly, in person, by zoom, or other schedule to accomplish their goals) to learn how to utilize member recruiting and retention tools effectively.
3. The majority of the club is willing to participate – willing to have the conversations, make things happen, do the work, ask the questions, participate in the trainings, etc. and is ready to approach membership with an open mind.
4. The club will follow up/report back on action items.
5. Clubs who need new officers.
6. Clubs who need to grow to be future sponsoring clubs of other Kiwanis clubs or service leadership programs.
7. Clubs who want to decrease the average age, add more diversity to their club, or more professionals, etc.
8. Those clubs who have a good membership experience – good member orientation, good calendar of events throughout the year, etc.

We anticipate this process will take a year and hope to recognize success and learn from our experiences by the

STRIKING A BALANCE: THE COST OF DUES IS LINKED TO MEMBERSHIP

Submitted by Alan Arbuckle, WI-UM Kiwanis District Master Club Coach

Alan Arbuckle

Dues are inextricably linked to the number of members in the district and Kiwanis International. The district has to replace the clubs that have shut down. Clubs need to have a stable membership. The result of not having a focus on adding members is having a genuine

need to raise dues. Dues matter.

One of the biggest stumbling blocks in building new clubs is the lack of clubs willing to sponsor a new club. Why is that? One reason: clubs are so focused on their own community that they fail to see the bigger picture of membership. The term "siloe" might be used to describe clubs that never Interclub with other clubs and never attend midyear conferences or district conventions.

Fewer than 25% of presidents-elect attend training. A healthy organization has trained leaders that lead clubs. Clubs need to understand the importance of interacting with the rest of the division and the district. There needs to be a culture of growth and cooperation within clubs, divisions and the district.

Does your club have a membership goal for the year? How will members reach that goal? Membership events, Two-for-Two, regularly inviting potential members?

Does your club have its own method that works for you? Who is going to be responsible for growing the club membership? If there is no Membership Chair, it falls on the President and Board of Directors to lead the effort. Please share your club's goal, method, and who is responsible with your Lt. Governor.

How can your club collect make dues more affordable? There are a lot of methods clubs use: 1) Separate dues from meals if your club still meets with a meal; 2) Collect smaller amounts during the year. Some clubs collect

a portion of the dues twice a year, quarterly, or even monthly. 3) Some clubs run a fundraiser specifically for the administrative account. Some restricts may apply, especially if the club has 501(c)3 foundation.

How does your club retain members? Do members feel safe to have a new idea or a different opinion? Do all members have a sense of belonging to

the group or do some feel excluded? Members should feel a desire or even an obligation to strengthen Kiwanis in order to do more service to communities and all children. How can we make Kiwanis more welcoming to more people?

I welcome your thoughts.

PHOTO HIGHLIGHTS FROM THE 2025 MIDYEAR CONFERENCES

Photos by Kathy Strong Langolf and Rebecca Mattson

Midyear conferences, held in Brookfield and Wausau, offered a day of fun, education, and development. Together we celebrated the accomplishments of the 2023-2024 Kiwanis year, raised money for the Kiwanis District Foundation, and gathered ideas to help support our clubs, develop leadership skills, and make memories.

This photo gallery showcases events at both conferences. The next opportunity to attend a district event will be the "Moo-ving Kiwanis Forward" district convention, August 22-24, 2025, in Green Bay. Please make an investment in yourself and your club and attend. You'll be glad you did!

DISTRICT AWARDS NOMINATIONS DEADLINE EXTENDED TO JUNE 15TH

Submitted by Justin Hahn, WI-UM Kiwanis District Executive Director

The district has one final opportunity for clubs and members to be recognized for the 2023-2024 Kiwanis year. Submissions for the Bill Solberg Distinguished Service Medal and the Outstanding Club Fundraiser Award must be sent to the district office, postmarked by June 15th, 2025.

The Hilmar L. "Bill" Solberg Distinguished Service Medal is presented on behalf of WI-UM Past District Governors and honors an individual with the following criteria:

- ✓ Actively served in Kiwanis for a period of not less than ten years
- ✓ Have served as a lieutenant governor or district chairperson
- ✓ Actively participated outside of Kiwanis in other community or civic endeavors

Nominations for this award must be made by a club's Board of Directors. Evidential material must be submitted in support of the nominee. Nominees may be living or deceased. The Past Governors selection committee, at

its discretion, may honor more than one individual each year, but is not bound to select any nominee.

The Outstanding Club Fundraiser Award recognizes a Kiwanis club's dedication and effort in having produced the most outstanding fundraiser during the year. An outstanding fundraiser must have made an impact in the amount of funds raised, the time spent on the project, and the number of club members, Kiwanis family members and guests involved.

Submission forms for both awards – which can be found on the district website: <https://k30.site.kiwanis.org/awards> – must be postmarked no later than June 15th. Awards will be presented at this year's District Convention taking place in Green Bay, Wisconsin, August 22-24. If your club submits an award nomination, please ensure that your club – as well as individuals nominated – makes an effort to attend the convention.

Our members do so much and should be recognized for it, so consider applying for one or both awards.

KIWANIS DISTRICT FOUNDATION**

LOOKING FOR A FEW GOOD KIWANIS TO JOIN CLUB-BUILDING TEAMS

Submitted by Paul Shrode, 2024-2025 Governor-elect

Paul Shrode

The district is planning to build some new clubs this summer and throughout next year, and we are looking for a few enthusiastic and experienced members and clubs to help. Virtually every club was sponsored by another club in the beginning. The growth of Kiwanis makes it possible to increase our

impact on the communities we serve and accomplish our mission. It also broadens our circle of friends and benefits both the sponsoring club and the new club in the process. Please consider the following ways you and your club can participate in this process.

Club Building Teams

To assist with building new clubs, we are taking a regional approach. Lieutenant governors will join with club members to help with club building efforts. The process includes identifying community needs, listing local contacts, and meeting with key people from the new community. Team members may set up appointments by phone, do research on area needs and local stakeholders, or visit with prospects prior to an informational open house. Others may set up open house events, service projects or other activities where Kiwanis can be introduced to the community. Training and support are provided for each step in the process.

Coaching Roles

Kiwanis provides special training for coaches who assist with the club-building process. International staff are also available to help with doing community research, facilitating the process, using social media tools, and providing materials and supplies. Club coaches work with a new club during its first year of operation and also receive specialized training. Ideally, a new club coach is a member of the sponsoring Kiwanis club.

Become a Sponsoring Club

Experience shows that the most successful new club builds have the support of nearby clubs. A sponsoring

club agrees to support and nurture a new Kiwanis club for at least its first year of operation. The sponsoring club assists with the club opener and core team members during the week that visits are paid to potential members, culminating in a club opening meeting. Visiting the new club by inter-clubbing with them during organizational meetings and their first few months helps to build relationships and puts experienced members in the position to answer questions and help new members understand Kiwanis. A sponsoring club may also help plan the first few service projects, provide/or support the new club coach, and assist the lieutenant governor in working with the club. The sponsoring club should monitor the new club for at least one year and help them to grow or at least maintain a minimum of 15 members. Successful sponsoring clubs must be in good standing with Kiwanis International and should be above charter strength, preferably with 20–25 members. It is possible for clubs to co-sponsor a new club.

Sponsoring a new club can be a really good way to energize your own club. Members will learn strategies for nurturing a club and engaging members, something that can help build your own membership. Sharing service ideas and projects, fellowship opportunities and fundraisers with a new club can prove rewarding, and reaching out to regional media to call attention to a new club can also highlight your club and its contributions to community. Helping a new club assess local needs also helps your club rethink its own community needs and learn strategies for identifying those needs.

We are looking for a few good members and a few good clubs willing to help spread the word, welcome neighboring communities into the Kiwanis family, and make a difference regionally. If you or your club has questions or may be interested, reach out to your lieutenant governor or district leadership. Kids need Kiwanis, and Kiwanis needs you!

2024-2025 Governor-elect Paul Shrode can be reached at 920-809-2872 or psshrode@aol.com.

AKTION CLUB PRESENTS 13TH IPAD TO A CHILD ON THE SPECTRUM

Submitted by Charles Zarnoth, WI-UM Aktion Club Co-administrator

On March 10th, Aktion Club President Chris Woelfel and Tim Propp, members of the We Care Aktion Club in Chilton, presented the club's 13th iPad. The recipient, Connor, is a student in the Hilbert School District. Very soon the club will present their 14th iPad.

On May 3rd, the Beacons of Hope Aktion Club, The Arc of Fond du Lac Aktion Club, and the We Care Aktion Club joined together for the annual "Aktion Clubs Bowl for the WI-UM Kiwanis iPad Project". Members accepted pledges to raise money to purchase more iPads which will be presented to children on the autism spectrum. Many more children will have iPads because of the Aktion Club members' efforts.

Aktion Club is the only service club for adults with disabilities, with more than 6,430 members worldwide. Club members become competent, capable, caring leaders through the vehicle of service.

We care Aktion Club members presented an iPad to Connor in March.

SUPPORT THE DISTRICT FOUNDATION WITH A CASE VAN KLEEF AWARD

By Tonya Alling, Kiwanews Editor

The Case Van KleeF Fellowship award is the WI-UM Kiwanis District's highest honor. Named for former District Governor and International Past President Case Van KleeF, the award is given to an individual in whose name a donation of \$1,000 is given to the WI-UM Kiwanis District Foundation (KDF).

Proceeds from Van KleeF awards support the KDF endowment fund, which generates funds for future grants and scholarships. Can you think of a club member or friend who is deserving of a Van KleeF Fellowship? If so, please contact KDF Secretary Mark Finger at 920-361-9954 or markfingerkdf@wiumkiwanis.org.

MARKESAN KIWANIS CLUB PRESENTS 75TH ANNUAL VARIETY SHOW

Submitted by Randall Durner, WI-UM Kiwanis District First Spouse

Do you like musicals, comedy and variety? If so, then hopefully you attended the Markesan Kiwanis Club's 75th variety show held on May 5 and 6, 2025. If not, then you missed an outstanding program which club members have been putting on since 1949!

Held at Markesan Middle School, both District Governor Kathleen and First Spouse/Division 6 Lt. Governor Randall Durner attended the show on Tuesday, May 6. The show was entitled, "Diamonds are Forever", celebrating the Markesan club's 75th show.

The men's 32-member chorus, sharply dressed in dark pants, white shirts and black bow ties were downright excellent in their singing. Several talented members of the choral group performed individual songs for the audience, including such hits as "Sounds of Silence", "Song Sung Blue", "This Diamond Ring", "The Wedding Song", "She's Every Woman", and "Annie's Song". K-Kids from the club's sponsored leadership program also sang for the audience as did one of the Kiwanian's adult daughter who was a hit!

Woven into the musical content were several local men who conducted hilarious skits like "Who's On First" with Rick "Winder" Grahn and Jim "Heinder" Hein, as well as others who entertained the audience with rollicking jokes and personal tributes.

Both the Governor and her husband hailed the program as professionally conducted, complete with videotaping, musician support, and excellent lighting and sound systems. Hats off and congratulations to Chairperson Tim Zacharias and President Skip Walker for putting together a terrific show as well as the cast and show committees for their hard work.

The show could not go on without local community business and individual donations to the program, which has been essential for its success. The club also highlighted club projects and supported causes in the event program, as well as an invitation to the audience

on how to become involved with the Markesan Kiwanis Club, a great recruiting tool. Said Governor Kathy, "This was my second visit to [the club's] annual program and it was superb!" Overall, the Governor extended a Bravo! to the Markesan Kiwanis Club and their outstanding entertainment legacy.
