Dear Executive Director Wolff:

I'm writing this letter to declare my intent to place my name as a candidate for the office of Vice Governor of the Capital District of Kiwanis. I have instructed the presidents of the clubs of Division 2 to email support letters directly to jeffrey.wolff@capitaldistrictkiwanis.org. Also, a copy of my Kiwanis resume was also sent to jeffrey.wolff@capitaldistrictkiwanis.org, highlighting my experience over my twelve years of Kiwanis service.

If elected to the office of Vice Governor, it is also my intention to serve as Governor-elect, Governor, and Immediate-past Governor. I intend to attend International and District conventions, International training, and District Leadership Conference (if held), and fulfill the other obligations and requirements as listed in the International and District Bylaws. I also will submit my information for a background check as required by Kiwanis International.

In Service,

Timothy R. Gillette
