

March 2, 2026

To: Mr. Jeffrey Wolff; Executive Director

From: Mr. Christopher Bryant

Mr. Wolff (Jeff):

I humbly announce my desire and candidacy to run for vice-governor of the Capital District, Kiwanis International in the summer/fall of 2026. I have the necessary credentials and the added heart to run for this high position, and I am encouraged to seek the governorship of the capital district in the coming years. I seek to encourage and enhance the mission and vision of KI to the membership in the mid-Atlantic Kiwanis region and I am inspired to serve with the members of our beloved district to advance our cause to improve the lives of all children.

Please find attached my Kiwanis resume. This was a wonderful exercise as I had not completed a KI resume prior to now. I know that I have done good works within the Kiwanis framework – and also have so much more to advance. I look forward to continuing to serve the cities, towns, and counties of the capital district, the regions of our renowned United States, and the awesomeness of the global community of Kiwanis International.

I am grateful for the opportunity to advance my name for consideration and look forward to running a positive and encouraging campaign for vice-governor, governor elect, and finally for governor of the Capital District (as well as past governor). Please find attached my simple Kiwanis resume and understand my overwhelming desire to serve in the coming years.

With Gratitude, and in service – Chris

Christopher Paul Bryant (Chris)

Kiwanis Club of Lynchburg: May 2003 (maybe 20024 – not sure)

Member of the Youth Service Committee (Teddy Bear Parade and Terrific Kids)

Chair of the Youth Service Committee (Chaired Terrific Kids and Terrific Kids)
