BILL GARRETT provided lots of helpful hints on how to research a family tree. He has done extensive work on his family as well as that of his wife. He provided a handout listing good sites to begin a search. He cautioned that you need some patience because there are a lot of blind alleys and false leads.

HAPPY/SAD DOLLARS

LARRY PIZZI had a nice trip to Cabo San Lucas with his family including four grandkids. There was some panic when a 10-year-old was “lost” for an hour. He was discovered watching a bikini contest at a beachfront bar.

ROD WILBERT gave the Oso Creek Golf Course restaurant a second chance after the initial visit two years ago was disappointing. This time it turned out to be a good experience with new management and a new chef.

PAT GRIGGS reported on a very nice visit to the Huntington Library. She and **HUGH** also attended the Orange County Fair which was a lot of fun despite being “attacked” by a goat at the Petting Zoo.

GREG GUTH had a visit from a daughter and granddaughter which included a trip to a festival in Long Beach.

BILL GARRETT was part way through getting his Pageant of the Masters makeup applied when the power went out, canceling the show.

PETE ZIMMERMAN was happy to be attending a weekend recital featuring granddaughter Brooklyn’s debut on the ukulele.
