Updated Kiwanis Club business cards are being created to share with prospective members and others. Let Warren know if you would like a set.

DIDJA KNOW?

Larry reports that according to his research there are no seagulls in Hawaii.

Also, he notes that broccoli is the only vegetable that is also a flower.

Key Clubbers at Mission Viejo High School were promoting their club's activities during Club Rush on campus Friday. Judging from the events listed on the poster it looks as if the Mission Key Club is planning for a very busy school year.

HAPPY & SAD

STEPHANIE was sad for a friend who was convinced by Aer Lingus to check their bags for a trip to Europe with a transfer to Iberia Airlines. Sadly, they spent their entire trip without their luggage or medications. Did the bags ever leave LAX?

KATHIE reports that the luggage snafu is an all-too-often occurrence with the airlines Stephanie mentioned and further advised to always keep your medications with carry-on luggage.

JEFF was happy to have watched a very enjoyable three-hour U.S. Open tennis finals match.

BOB was happy for Mike Trout's seven-game homer streak.
