HAPPY & SAD

PAT reported a nice road trip to visit **HUGH'S** brother in Oregon and her ex-sister-in law. The only downer was coming home through L.A.

JEFF was happy to have discovered the joy of the board game Qwirkle.

KEITH was happy that Mission, Capo and Tesoro football teams are doing well.

BILL was able to enjoy another Alabama win.

ED was sorry he missed the previous meeting while dealing with a UTI. "Those babies hurt."

OLLIE had a nice cruise to Cabo with his brother -in-law and sorry he missed last week's meeting "because I forgot."

GREG was looking forward to a road trip to the Monterey Peninsula where he and Kathie will attend a wedding reception and visit with their daughters. Sadly, he will miss the next meeting.

SHARON was very sad that the transmission in her car did not want her to go backward or forward. It's being towed to Mission Viejo Transmission for diagnosis.

PETE reported computer problems, but happy two "experts" were making a house call.
