A GRANDMOTHER, an Early Education Director, said she really appreciates the Tale Trail, a project of the Mission Viejo Library and Kiwanis. The mobile reading program including a new book bought with a Kiwanis Children’s Fund grant was installed this week at Pavion Park next to Philip Reilly Elementary School.

Members should have received an email containing an attached invoice for dues and meals incurred May-September. Members can pay by check. Those who use a credit card will pay an additional 5 percent to cover a processing fee. Members are encouraged to pay their bills promptly so the club can cover the District and International dues as well as be able to prepare a budget for the next 12 months. Contact Kathy if you have questions.

Melody Downey will be the guest speaker at the club meeting this Tuesday. Since 2014 she has been the supervisor of the popular Clubhouse at Vocational Visions. Melody will discuss her work at Vocational Visions and share ideas on how the club might participate in other events beyond the annual bowling event the club sponsors.

THANKS TO OLLIE FOR BRINGING A BOX OF CANDY BACK FROM HAWAII TO AUCTION OFF FOR THE TREASURY, AND THANKS TO ED FOR HIS WINNING BID.

HAPPY & SAD

LARRY C. was happy that the meeting was “the end,” and expressed “sympathy” to his colleague Bill who is taking over as president.

SHARON was ecstatic to report that contrary to earlier guesses her car was not disabled by a faulty transmission. Mission Viejo Transmission diagnosed the problem as a faulty battery leading to electronic issues.

STEPHANIE was looking forward to a device being installed at her house to charge the new Ford 150 Lightning truck. To install the device power was out for eight hours. No problem, the truck charged the refrigerator.

PETE reported that it was Baby Bottle Day, his granddaughter had her first visit to Disneyland and that Judi was going to the balloon festival in New Mexico with family.

PAT reported that she and **HUGH** were teammates in a game of Hand and Foot with neighbors. They won a narrow victory.

OLLIE was back in town after flying to Maui for the day as a guest of his airline pilot son.
