HAPPY/SAD DOLLARS

ROD was happy for “catching up” at a lunch in Laguna Beach with four former students. He was sad that he got a major sunburn sitting outside at Las Brisas restaurant.

BOB had a thankful dollar for Larry Callison’s good advice in getting Bob to the hospital via ambulance when he wasn’t feeling up to par.

PAT had a memorial dollar after attending services at the Mission Viejo Country Club for a neighbor who died recently.

JEFF had a hopeful dollar that the initial report was true that the Capo Valley Key Club had paid its Kiwanis International dues and was back in good standing.

GREG was very happy the world of motor sports was back in full swing with Formula One races around the world.

Hugh was happy for the game effort that San Diego State put up against UConn.
