Happy/Sad Dollars

BILL was happy to announce that friend Tiffany Lundberg who once spoke to the club about her job as an award-winning TV news anchor in Iowa is now enjoying her new role as a TV news executive producer for KFSN, an ABC station in Fresno.

SHARON was happy that her computer audio woes of the previous week were conveniently solved by a \$40 telephone consultation with tech support.

LARRY PIZZI really enjoyed a family outing to the spectacular Getty Museum in Los Angeles. He says it was nice to see the architecture and museum exhibits up close after having driven past hundreds of times commuting to and from work. He was thankful that his wife was only admonished twice by museum officials for her penchant of trying to get really close to the exhibits. On a not-as-happy note, he

experienced discomfort getting a post installed prepping for a tooth implant.

PAT happily arranged a family gathering for bowling and pizza in recognition of **HUGH'S** birthday. She also noted that this month marks the 10th anniversary of moving to Casta Del Sol.

GREG was happy that he and Kathy celebrated the 63rd anniversary of their wedding performed by the Clark County Justice of the Peace in Las Vegas. Greg will mark another milestone on June 23, the 50th anniversary of receiving his CPA certificate.

KEITH was happy to inform Stanford grad **ED** that the Cardinal baseball team qualified for the College World Series by beating Texas when a Longhorn outfielder lost the game-winning hit in the twilight sky.

Notable This Week

President Bill reminded members that the club needs suggestions for weekly program speakers. Contact him if you have someone in mind.

July 4 is a Tuesday this year meaning there will be no meeting that week.

ED provided an informative tutorial on USC and UCLA moving to the Big 10 for athletic competition which ends 100 years of tradition in the Pac 12. Fans will have a year to come to grips with the move since the changeover takes place with the 2024 season. Why are they leaving? Ed reports that it's all about the money. Fortunately the crosstown rivals will still play each other every season.

BILL did double duty Tuesday as he presided over the meeting and wrangled the Zoom production as well. The Prez is accustomed to multi-tasking after having finished a stint as jury foreman in a DUI case the week before.
