## HAPPY/SAD DOLLARS

**LARRY CALLISON** attended his son Chad's wedding in Missouri. Larry reports the tuxedoed groom and the new Mrs. Callison exited the ceremony astride a cycle (not the scene here).

**STEPH** talked with **JUDI ZIMMERMAN** and learned that Larry spent two weekend days in Temecula including a night on an air mattress at Judi's new home where Larry put his handyman skills to work on several improvements getting it move-in ready.

**BILL** had a big sigh of relief that Alabama's football team survived a game with Auburn thanks to some unbelievable last-second heroics. He was doubtful about the Tide's chances versus Georgia in the SEC championship game.

**GREG** was very sad after UCLA's stunning loss to Cal. On a happier note, he enjoyed a trip to Sevastopol over Thanksgiving to spend time with his daughters. It was a frigid 31 degrees when they left for home.

**PAT** and **HUGH** enjoyed Thanksgiving dinner in Playa del Rey at her son's girlfriend's home. The trip home on the 405 was made with minimal holiday traffic.

## Learn to use See's Credit Card Reader at Tuesday's Meeting

Jeff will give a tutorial on the credit card reader to be used when selling See's Candy. Please attend Tuesday and learn how this thing works! It's easy, he says.
