Interfaith Health Services of Southern Ocean County

Janice Schalek, Executive Director of Interfaith was our guest speaker at our September 20 meeting. Her presentation was both informing and interesting. Several of our members are involved as volunteers with Interfaith. They reported that it is very rewarding service. Kiwanis LBI helps this worthwhile organization with a modest annual contribution. Janice is shown below receiving a Certificate of Appreciation from our program manager, Pete Rossi.

Happy Feet Program "Sock Hop"

Many, many kudos to Faith Dixon for all the effort she put into both the planning and execution of our "Sock Hop" Friday night, September 29. While the attendance was disappointing, all those who did attend enjoyed the evening tremendously. The decorations were fabulous, music fantastic and food delicious. It was quite obvious that no one enjoyed themselves more than the Key Clubbers from both MATES and Southern Regional that were there to handle set-up, decorations and cleanup. We are so fortunate having such wonderful young people affiliated with our club. They truly are one of our greatest assets. The number of socks collected will certainly help us reach our goal of 6,000 pairs of socks for this year's campaign. Keep working members! We have until December 3 to reach our goal.

Presidents Dinner

Our annual Presidents Dinner was held at Octopus's Garden, Mayetta, on Tuesday night, October 3. Gratitude was expressed to all the outgoing officers and directors. Completing his third term as President, Dick Binetsky now joins our ranks as "Immediate Past President", replacing Joanne Kranch, who faithfully has served as our Immediate Past President for the past three years. Past Vice President, Rick Schmid now proudly wears the President's pin. We thank Rick for his service as Vice President and wish him much success as our newly elected President of Kiwanis LBI. Ken Nilson will now fill the office of Vice President. Our secretary for the past two years, Dick Doyle, will now serve as a Director for three years, with his term expiring in 2020. Replacing him are Ellie Ehnot, Recording Secretary and Pat Doyle, Corresponding Secretary. Our treasurer for the past three years, Bill Appelget, has agreed to continue serving our club in that position for the upcoming year. Thanks Bill, for the wonderful job you do and for your exceptional dedication.

Both Candy Turner and Wally Mianowski, who have completed serving the past three years as Directors, have agreed to once again serve and their terms will expire in 2020.

Ed Toriello, Pete Rossi and Faith Dixon will complete their three year terms next year, 2017. Finally, Bud Dixon, Paul Chambers and Dave Young will complete their three year terms in 2018.
