Thirty members were in abundance at the meeting to hear the recommendation of the Capitol Project Committee's deliberations. The presentation has been sent out hopefully to the membership of the club. The secretary will forward the .pdf file to his member list. Action on the proposal, yea or nay will take place in about 2 weeks. The measure would, according to our bylaws, require a 2/3 vote.

Pres. Ken read thank you notes from Tara Greenley of the Boys and Girls Club, and a thank you from scholarship awardee Ava Yox.

Patti, Gordy and Marie briefly filled us in on their attendance at the recent International Convention (ICON) and will fill us in with more detail soon.

We will soon be building NEW hot dog stands, stand by and sharpen your hammers! Also, our Christmas Extravaganza must be at the Town Parking lot per the Town.

**BOARD MEETING:** The BoD voted conditionally to provide a generous grant to a family requesting a pool lift for their disabled daughter. Also the board approved the purchase of 20 Holland American Legion Duck Race tickets. (August 27). The BoD initially approved a donation to a local Girl Scout, troop though this request was determined later to be fraudulent. Finally the board approved an entry in the Convention Basket raffle.

**HINT:** Probably the best way to get something in the Windmill is to email the information to Secretary Larry at [ljcjpjlj@gmail.com](mailto:ljcjpjlj@gmail.com)
