The king of *kindness*: East Meadow Kiwanis

By Mallory Wilson

"Kiwanis should be a positive influence in communities worldwide," Diane Krug said. And the East Meadow Kiwanis — for which she serves as president — is just that.

Throughout the year, Kiwanis plans event after event to raise funds for those in need. And when it's not their event, they're always there to lend a hand.

For the winter holidays, like Thanksgiving and Christmas, Kiwanis members always get together for their annual meal and gift drive-by.

Before its event starts, the club hosts its Secret Snowflake Toy Drive through December to collect toys and provide some great Italian meals from Borrelli's Italian Family Restaurant for each family. Gift cards are collected as well to give to the older kids. Stew Leonard's donated cookies last year to complete each meal.

Kiwanis partners with the school district to identify East Meadow families that are in need, which typically number anywhere between 75 and 100. Social workers from the schools will collect any meals and presents that remain.

"This is all about the holiday spirit," David Rothman, a Kiwanian who has been involved with the event for more than 20 years, said.

"It's sad when you see the same people on the regular, and they have something going on in their life that they just can't get out of. But knowing we helped somebody in need is just great."

Before the academic year begins, Kiwanis runs a school supply drive so kids who need it can start the school year off right with fresh

supplies. This past year, some 160 kids in the East Meadow School District were given a new backpack with everything they could need. Supplies and money are donated from local politicians, neighbors, and other organizations.

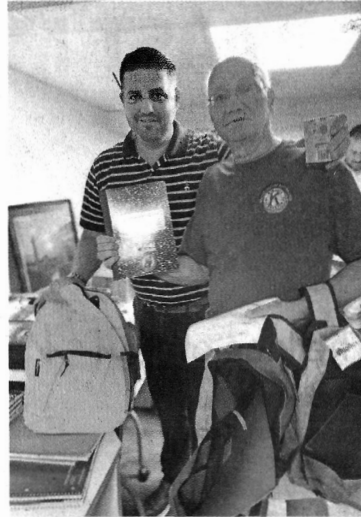

"I've seen the generosity go up over the years," said Jennifer Reinhardt, the immediate past president of East Meadow Kiwanis. "Any time that we do this, the community comes together — the businesses, organizations. I'm always so floored at the generosity of our community."

The club gets a list from each school in the district with how many backpacks they need. Once the backpacks are done, they get dropped off at the Salisbury Center, where they are then distributed to students who need them.

In the summer, there's no stopping the club. They host a pancake breakfast that collects funds for Kiwanis scholarships for deserving high school seniors, and to send underprivileged children to Kamp Kiwanis.

In August, the club holds its annual Steven J. Eisman Memorial Golf Outing. Kiwanians and their friends show up to hit the links in Eisenhower

Park to raise money. Last year, the club used \$5,000 from the event to stock the McVey Mighty Market, a food pantry in McVey Elementary School for community members in need.

IN MEMORIAM

HONORABLE NORMA L. GONSALVES

1934-2025

Norma L. Gonsalves grew up in Brooklyn, one of five children. Her mother became her role model. She loved both her parents, but she adored her father. She worked with him in their family bakery and restaurant. Her love of cooking and baking stems from this time. Some may remember the East Meadow Kiwanis spaghetti dinner where she taught and served up her great meatballs. Her family also owned a bakery where she learned how to bake, and she made the best cookies ever! She also learned during this time how to multi-task and set her goals.

Norma received her Bachelor of Arts degree in history from St. Joseph's College for Women and a Master of Arts degree from Hunter College and Brooklyn College. She was an educator for 25 years in the New York City school system.

Norma taught English and introduced her students to plays and shared her lifelong interest in the performing arts, encouraging several of her students to pursue acting careers. She was proud to see many of them appear over the years on television or in the theater in New York City. Many of her former students stayed connected with her!

Norma's passion and flair for teaching were matched by her interest in and devotion to the life of her community starting with the PTA in the East Meadow School system. She was one of the founders of CEMCO, the Council of East Meadow Community Organizations and spearheaded the Crime Watch program in East Meadow. Norma was very passionate about protecting the environment including the bird sanctuary located in East Meadow. She served on many local advisory committees such as the Nassau County Correctional Facility and the Town of Hempstead solid waste management efforts. After she retired from teaching, Norma became a community activist, was elected in 1997 to the Nassau County Legislature and served in the 13th Legislative District. In 2010, she became the Presiding Officer of the Nassau County Legislature.

Norma loved children the most. She was a longtime Kiwanis SLP advisor and served for many years on the East Meadow Kiwanis Scholarship committee. She enjoyed the class visits to her office in the legislature and gave tours of the historic Old Courthouse. Norma was a strong independent woman. She was honored by East Meadow Kiwanis as a Lifetime Member and was the recipient of countless awards during her lifetime in recognition of her many achievements. She was both a teacher and a mentor who left an indelible mark on many of those that knew her well. Her strength of character, compassion, leadership, and dedication were an inspiration to all.

Norma was married to the love of her life, John Gonsalves, and she was mother to three children, Gregg Gonsalves, Dana Gonsalves, Carin Gonsalves, and proud grandmother of four grandchildren.

Norma energetic life was reminiscent of the energizer bunny. Her life was filled with the love of her family and her community and her passion for helping people and children was extraordinary. She always went above and beyond!

Norma was a good friend and is missed by many!

IN MEMORIAM

HONORABLE FRED J. HIRSH

1952-2025

The Honorable Fred J Hirsh, a 30-year member of the East Meadow Kiwanis Club, was a cherished leader, steadfast advocate, and compassionate friend, passed away peacefully, leaving behind a legacy of integrity, service, and kindness. His unwavering commitment to public service and his community touched countless lives and will be fondly remembered for generations to come. He was a proud husband, brother, father and uncle. Fred lived a life marked by strong commitments to his family, friends and work and will be missed by all.

Fred was born in Forest Hills, NY to David & Sheila Hirsh who moved to Franklin Square, NY in 1956. Fred learned his work ethic by helping his dad at the pharmacy. Fred graduated from Hamilton College in 1974 and attended Law School at Brooklyn Law School graduating in 1977. After passing the bar he practiced in many areas of law including trust and estates, construction contract, personal injury and business law. After practicing in these areas, Fred was a judge in Nassau County District Court. He was most proud of being Judge Hirsh. In addition to his law practice, Fred was on the Board of the East Meadow Jewish Center, East Meadow Kiwanis, a past President of Congregation Anshei Israel of Tucson and on the Board or Committees of any other organization that he was part of.

In March 1980, Fred met his future wife, Mindy Cohen. They were married in November 1981. They had two children, Carly and Neil. Fred made friends wherever he went. Once you were his friend, there was nothing he wouldn't do for you. Other than his family and friends, Fred was a big fan of his New York Mets, Jets and Islanders.

Fred was always there to lend a hand. He always loved making mashed potatoes at our Senior Thanksgiving Dinner or flipping pancakes at our breakfast or delivering groceries to our seniors. Always there with a smile and enthusiasm.

IN MEMORIAM

SDPLG MICKIE LEAMEY

1937-2025

Super Distinguished Past Lieutenant Governor Mickie Leamey was truly a woman ahead of her time. In 1987, she broke new ground as the first female member of the Long Island South Central Division, joining Kiwanis and setting a precedent for future generations. From the very beginning, Mickie demonstrated a passion for leadership and a deep commitment to learning everything she could about the business of Kiwanis.

Mickie's drive and dedication quickly propelled her up the leadership ranks. She served as Club President and, in 1995, made history yet again as the first female Lieutenant Governor representing the Long

Island South Central Division. Her trailblazing spirit did not stop there; she soon took on impactful leadership roles in the New York District, where she advised many Governors and provided invaluable guidance and support.

In 2003, Mickie was named the first K Kids Administrator for the New York District, launching an era of service and mentorship that would span more than two decades. As an ambassador to the K Kids program for 22 years, Mickie mentored countless students, empowering them to thrive within the Service Leadership Program. Her legacy is deeply rooted in the lives of the children she inspired and guided.

Mickie's commitment extended beyond her leadership roles. She served on the New York District Foundation Board and the New York Pediatric Lyme Disease Board, further demonstrating her dedication to service and community. As President of the Long Island South Central Past Lieutenant Governors Council, she continually fostered a spirit of camaraderie and support among her peers.

Perhaps most notably, Mickie was always there to advise and guide leaders within the Kiwanis community. There was no issue too complex or topic too daunting for Mickie to offer her perspective and counsel. She was known for her willingness to reach out, share advice, and support others—her passion for service evident in every conversation and action.

We are forever grateful to Mickie Leamey. She was a true champion for the students in our Service Leadership Programs, and her influence will live on through the legacy of the children and families in East Meadow and beyond, all of whom she supported with unwavering strength and compassion. Mickie's dedication, leadership, and mentorship have left an indelible mark on our community, and she will be remembered always as a pioneer and role model for all who value service and leadership.

COMMISSIONER JAMES M. (JIM) SURLESS

1942-2024

Beloved husband of Joanne for 61 years. Cherished dad of Darlene, Pamela, James and Andrea. Loving grandfather of Olivia, James, Kaitlyn, James, Brian, Samantha and Riley. Caring colleague to many. Anyone who knew Jim loved and adored him.

Jim started his career as a Draftsman for Levitt & Sons and began working for the Long Island Railroad as a Fire Safety Officer and Fire Marshal. Jim then became the Fire Safety Manager at Queens Public Library System and most recently worked at the Nassau County Firefighters Museum and Education Center which he truly loved. Jim was a proud member of the East Meadow Fire Department for 60 years, steadily moving up the ranks within Engine Company One and the Department, serving as Company Lieutenant, Company Captain, Chief of the East Meadow Fire Department and was a sitting Commissioner of the East Meadow Fire District. Jim was further involved in the community, volunteering at St. Raphael's Church as a Eucharistic Minister and volunteering with his beloved Kiwanis Club of East Meadow. Jim was a steady fixture as he frequently came to the meetings with Joanne, loved Kiwanis outreach programs like Community Day, working the Senior Thanksgiving Dinner (even though he could be there and eat), and he could often be seen volunteering to work, cook and collect groceries for those in need. Each year Jim, a certified trainer, also enthusiastically trained Kiwanians in CPR and First Aid. Jim had a passion for music playing saxophone for several bands from his teenage years until recently. He volunteered giving his time and energy to so many. Jim was that guy lending a helping hand. He was a mentor, a true friend and Jim, you are deeply missed.

PRESIDENT'S MESSAGE

Dear Fellow Kiwanians, Community Members, Friends and Family,

As we begin a new Kiwanis year, I am deeply honored to serve as your President. Together, we carry forward our mission to serve the children of our world and our community. Thank you for your trust in me to lead our club.

The success of our club is built on the visionary leadership of those who came before us and the unwavering dedication of every member who gives their time, heart, and energy to those who need it most.

Kiwanis members are generous, creative, and passionate. You are problem-solvers who bring joy and purpose to every project—improving our community one child and one act of service at a time.

In the year ahead, I am committed to continuing our impactful programs while embracing new ideas that help even more children reach their full potential. I look forward to collaborating with other Kiwanis clubs, community groups, and like-minded organizations to fulfill our mission. We welcome new projects, fresh perspectives, and greater participation from all our volunteers, while continuing with the traditions that make our club distinguished.

I want to extend my heartfelt thanks to my husband, Robert, our children—Jenna, Ryan, and Nicholas—and all my dear friends for their unwavering support. Your encouragement empowers me to give back to the community that has given so much love and support to our family.

To my Board, Advisors, and all my fellow Kiwanians: none of our amazing projects or meaningful impact would be possible without you. A president is only as strong as their people, and I am truly blessed to lead the most dedicated and inspiring club. We are the best because of each one of you.

I look forward to another year of service, growth, and shared success.

With much gratitude.

Yours in Kiwanis Service,

Donna Goldstein

IMMEDIATE PAST PRESIDENT'S MESSAGE

Dear Fellow Kiwanians, Community Members and Friends,

It has been my honor and privilege to serve as your President and to continue to serve our community together. I am filled with gratitude and pride for all our huge success this year as a Club, making this a record-breaking, banner year.

This year of service has been a testament to all we can accomplish together. We continued to develop our Club's much celebrated traditional service projects while taking on new and exciting initiatives as well. Our first ever Kiwanis Kids Day helped showcase to the community what Kiwanis is all about while providing a fun, safe day for our youth. During this year, we put free books in the hands of the children of our community and beyond, helping kids pick out just right and high interest books by fully restocking the Book Vending machines in the 5 Elementary schools, donating books to campers (both before and after their wonderful week), donating thousands of books to The Book Fairies, NUMC, giving them out at the Kids Fair, and more. For the first time ever, we supported a Service Leadership program in every school in the district plus our unique SLP in Eden 2 School, as well as our incredible Aktion Club. This ensured continuous Service Leadership opportunities from Elementary School to High School and beyond for all, including supporting the Circle K Club at Adelphi, being active and making a difference!

We sponsored the new Kiwanis Dare Boldly Club focused on helping children with special needs and welcomed 7 new members to our Club. As the largest club in New York, we provided great new programs, raised meeting attendance, sponsored Terrific Kids programs, engaged in community beautification with CEMCO and Friends of a Beautiful East Meadow, and had fun being with Kiwanians all over the World. We sent 7 kids to local camps, 21 kids to Kamp Kiwanis, and 6 got to go back for a second week! Our club helped support our Kiwanis International Children's Fund Possibility Project, as we were recognized this year as an Impact Club, Kiwanis Pediatric Trauma Center, Ronald McDonald House, the Nassau County Games for the Physically Challenged, Kiwanis Pediatric Lyme Disease Foundation, and our New York District, and the wonderful work they all do. I also appreciate the help of Superintendent Rosner, Central Office Administration, the School Board, the

principals, teachers, faculty, support staff, students, parents and team of school social workers, East Meadow Chamber of Commerce, EM Fire Department, and so many others. We truly appreciate your support in every way!

Thanks to this collaboration we were able to provide every child and family in need with school supplies with our Back-to-School fundraiser, food and toys for the holidays, along with making local food pantry donations every week to the school and to the Veteran's Pantry. We brought back our Caroling event raising money this year for KPTC. We continued food baskets that were delivered for Thanksgiving as well as providing a Christmas meal and toys for 120 families. Six \$1,000.00 scholarships were awarded to deserving high school seniors to further their education. This is all made possible by the huge success of our annual fundraising events, such as the Golf Outing, Name That Tune, Pancake Breakfast, multiple raffles, donations, 200 club, Happy Dollars, the work of our phenomenal SLP kids and Members, and so much more. So, to each and every one of you

the **Members of Kiwanis East Meadow, I say Well Done and Thank You!**

I want to extend my heartfelt thanks to each member of our club. Your commitment and enthusiasm have been the driving force behind our achievements. I am particularly grateful to our Board Members, Committee Chairs and my Advisors for their leadership and hard work. Most of all I want to thank my husband, SDPLG Ross for bringing me into this great Club, showing me the joy and incredible impact of service through Kiwanis, and for mentoring me all along the way, from new member to committee member to club director to the Executive Board. Thank you to my daughter, Hailey, and my son, David, who not only gave me the time without question to do what I love and grow as a leader, but joined in each in their own ways to help contribute to the Club and to Kiwanis, as did my parents and all those in my family :-)

**I encourage others to step up through the ranks,
and one day lead this vibrant club.**

Thank you to all. Your support, caring and love cannot be overstated enough. During the year, there were some real scares, and we as a Club lost many of those we love and who will be missed. We are grateful to have known them and to have each other to lean on. Thank you to those who came before me for passing the baton to me with our club poised for greatness. I know that Donna Goldstein will continue this growth and wish her all the success in the coming year.

Kiwanis is a positive influence in communities worldwide, where we provide nurture, care and support for children, so they can thrive. Thank you for the honor of serving as your President.

Yours in Kiwanis Service,

Dear Members of the Kiwanis Club of East Meadow,

It is with great pleasure that I extend my heartfelt congratulations to the Kiwanis Club of East Meadow on the celebration of its 74th Annual Installation of Officers and Directors. This milestone is a testament to the enduring dedication, leadership, and community spirit of your organization.

I commend the outgoing Executive Board and Directors—President Melody Schiller, Immediate Past President, and Chairman of the Board Distinguished Past President Joseph Parisi, and Board Members Matthew Kamper, Stephen LaSala, Edward “Ted” Rosenthal, and Marian Schneider—for their outstanding service and commitment over the past year.
