MISSION STATEMENT

Kiwanis is an international service organization dedicated to improving the world one child and one community at a time. The programs and events sponsored by our club are completely free to all who attend. Since 1951, the Kiwanis Club of Sheraden has been a vital part of the Sheraden and West End Communities, and continues to provide quality family programs because of the support of our generous donors.

THANK YOU

This year marks our 74th anniversary as a club and we could not have made it all this time without the support of YOU. It is because of your generosity that we can support the children and families in and around the Sheraden Community and we hope that together, we can continue our tradition of service in the next 70 years.

From the bottom of our hearts, thank you for helping us "Improve the world, One Child and One Community at a Time" #KidsNeedKiwanis

With LOVE and GRATITUDE,
The Members of the Kiwanis Club of Sheraden
