Last week’s meeting –Thursday, April 21st 2022– James E Dorschel - First Family Focus - Mental Health Awareness and the stigma attached to Mental Health

Jim Dorschel

Jim and his wife, Penny were married in October of 1985, and we were blessed with twin sons, Brad and Keith, born in September of 1987. On August 29, 2016, their son Keith took his own life.

Since Keith’s death Jim has become a mental health and suicide awareness advocate. He is dedicated to speaking out about the stigma attached to mental health and suicide. Mental illness is a disease. It is treatable. The first step is to take away the shame / fear of speaking about one’s mental health issues and concerns. Jim is a field advocate for the American Foundation for Suicide Prevention. When Governor Margo’s family decided to create her First Family Focus on mental health, she asked Jim to be the chair of the program.

Jim has been active in Kiwanis for over 36 years. He was the 2018 – 2019 Lt. Governor of Division 37. He has been a club President four times, a secretary twice, a treasurer and a club board member for 20 years. Jim currently does Life insurance consulting and training with local State Farm agents.
