Recognizing the serious need for education and training in the areas of pediatric trauma and injury prevention, the Kiwanis Cal-Nev-Ha Foundation established the Pediatric Trauma Program (PTP) in 1994.

The mission of our program is simple: develop local projects, which will reduce the number of children in our three-state District who are killed or injured by trauma.

During his 2 terms serving on the District Foundation the Foundation approved and built the Kiwanis Foundation Professional building in Rancho Cucamonga. He was also on the board the year the Foundation Board initiated and approved the Kiwanis Pediatric Emergency Medicine Fellowship at Loma Linda Hospital. Craig rejoined the Foundation Board in 2016 and was elected
