Kelly Manning

Special Events Manager

Kelly's commitment to mental health advocacy has evolved from over a decade of dedicated volunteer work with AFSP to her current role as the Special Events Manager for the Greater Los Angeles and Central Coast Chapter. In this pivotal position, Kelly orchestrates the success of vital initiatives such as AFSP's signature "Out of the Darkness Walks" and fundraising events for the Chapter. Kelly's extensive background in leadership, volunteer recruitment, and community outreach enriches her with invaluable expertise. She passionately champions the imperative for widespread participation in mental health initiatives.

Kelly's unwavering dedication underscores the transformative impact of community engagement in nurturing mental health awareness and resilience. Her willingness to share her personal journey navigating her daughter's mental health struggles not only inspires empathy, but also fosters a culture of understanding and support within the community. Through her advocacy, Kelly epitomizes the vital role that personal narratives play in destigmatizing mental health challenges and fostering a culture of compassion and solidarity.
