Pasadena Fire Chief Chad Augustin and Pasadena Police Chief Gene Harris

Chief Augustin began his career as a firefighter paramedic and has risen through the ranks over the last 20 years, serving in a wide range of areas, including training, fire prevention, administration, human resources, professional standards, operations and emergency medical services. He comes to Pasadena with a diverse background in hazardous materials, urban search and rescue, large-scale emergency/disaster incident management, and developing short- and long-range plans.

As Fire Chief, Chief Augustin is responsible for the department's Fire Operations and Emergency Medical Services (EMS) Divisions, overseeing the daily operations of 24 fire stations with an annual budget responsibility of \$100 million. During his tenure he has provided leadership in support of high-quality EMS care and transportation, streamlined the emergency response model for ambulance dispatch, and managed cost recovery efforts and billing improvements. In February 2020, Chief Augustin was selected for the highly competitive Fire Service Executive Development Institute, a program developed by the International Association of Fire Chiefs, to provide new and aspiring chiefs with the tools they need to have successful and productive tenures.

We are so pleased to have Chief Augustin joining Pasadena as our Fire Chief. He has impressive qualifications and well-rounded experience working at a busy urban fire department as well as demonstrated involvement in his community. The Chief's passion for the fire service is infectious, and he has a reputation as being a leader others want to follow. His desire to foster innovation, collaborate with school districts and state and local agencies, and mentor the next generation of fire service leaders will benefit the Pasadena community and fire department employees.

Chief Augustin earned a Master of Legal Studies degree from the University of Arizona, where he graduated Magna Cum Laude; a bachelor's degree in fire administration from Waldorf University; and a Chief Officer Certification from the California State Board of Fire Services.

He and his wife of 24 years, Sandra, love making Pasadena their home.
