

“SERVING THE CHILDREN OF THE WORLD”

To my Kiwanis friends,

WOW! Where did the year go? It seems like only yesterday that the installation of officers was held but it was actually September 2019. Since that time, we have held our Halloween Party (Mother Nature wasn't very cooperative that evening), our infamous skit (no Hollywood contracts offered), our newspaper sale, Chili Golf and St Patrick's Day

then POW the bottom fell out!

Coronavirus hit! We survived, we held board meetings via conference calls, made decisions and carried on.

Our monthly meetings continued in late June with proper distancing and other restrictions adhered to, the flag project was carried out in the usual but cautious manner!

And what a wonderful job that was done by some of our members at the AWARE Shelter playground. And we can't forget the ice cream cones for those that had fun at the Splash Pad!

Can't thank all of you enough for the support and concern you shared with me during these most challenging last few months! I couldn't have done it without you! Thank you!

Now is the time that Jim needs your support. Not sure that this Covid-19 will be over soon but we as Kiwanians will stick together and give Jim and his board all the support and help, they need.

Thank you again for a great year!

Mary Lou McFadden
