Fellow Kiwanians,

First, I would like to give a Big Thank you to Mike Zuchowski for his great year as president of our club! Mike did an outstanding job. Thank you, Mike!

Another big Thank You to all of you for entrusting me with the leadership of our Kiwanis Club for this coming year. I can assure you that I will do my best to make you proud to be a member of this great club “because I said I would.”

“Because I said I would” is my theme for the coming year. Just stop and think about what we have done as a club “because we said we would.” For those that attended the installation dinner you heard this phrase numerous times. This should be our “mantra” for the coming year and for all future years! Just think about the things we would NOT have accomplished over the last 100 plus years if we didn’t follow the saying “because we said we would.”

We have a very busy month coming up! Meetings for Chili Golf, Halloween Party and we need to concentrate on getting some new members involved. Think about some of your friends that you think will be good members, invite them to a meeting, let them know about all the good work we do in the community. I challenge each one of you to help with this very important assignment!! Remember it’s the friends that we make along the way, that help us with the journey! So, let’s go and get your friends to join our journey! It sure will be fun!

Thank you to those Kiwanians that participated in Kids Against Hunger at Parkside Middle School on September 26. A special shout out to the Vietnam Vets that John G brought in to help! We packaged 10,386 meals to be distributed here in Jackson. Great job, thanks again to everyone.

Here is something to remember, a quote by Lou Holtz, the former Norte Dame football coach, “Ability is what you’re capable of doing. Motivation determines what you do. Attitude determines how well you do it!”

Fall is coming so get ready for Mother Nature’s beautiful color show. Have a great month!

See you soon!

Mary Lou
