Happy 4th of July!

That's right, July is here already, and some warmth has come with it. This is a kind of quiet month, not too much going on for Kiwanis. It's a great time to recharge those batteries and contemplate how we can make Kiwanis a better, more fun and productive club. We are a great club, but we can continue to improve and help more children.

Some of our Kiwanians are working on the sign stations at three of our cities' entrances, M-60 at the beginning of the express way, West Avenue by the mall, and South Airline Drive at the end of Prospect St. We are trying to work with all the clubs who have their logo signs mounted on them to help refurbish and make them and our fine city more inviting. If you have any ideas or want to help, please contact me.

The foundation is working on replacing the wood on the remaining 6 picnic tables at Kiwanis Park. The tables we completed in 2017 are holding up very well. As soon as we can get the material ordered, we will set up a time for volunteers to take the old ones apart and put the new wood on.

Don't forget to pick up flags early next week and then enjoy the rest of this quiet Kiwanis month. See you on Fridays so you can enjoy our speakers and fellowship, and don't forget to get your tickets for our "Annual Kiwanis Picnic" on August 9, from Joe or at the sign in table of our meetings.

Thank You for being Kiwanians and for all the work you do.

Mike Zuchowski
