## DISTRICT GOVERNOR

*Jason Miller*

**HELLO** Mighty Ohio District!

Did anyone else feel like January would never end? It was as if an entire year lasted for 31 cold and dreary days. Despite the mostly sunless days, Ohio Kiwanis showed membership growth for the fourth month in a row! This is attributed to each Kiwanian who asked a friend to join in the experience of making a difference in their community and beyond. Or maybe they sought out a new corporate member to expand their reach even further. There is no time like the present to invite someone to a service project or to share in the excitement of working with one of our Service Leadership Programs!

January also saw the closing of the submission process for the annual Signature Service Project. I am happy to report that Ohio doubled the number of entries from last year! District Service Chair, Amanda Flaute and her committee have a lot of work to do, to narrow down the submissions for the Ohio representatives to Kiwanis International. Look for more information on this initiative soon!

As I continue to travel this district attending projects, official visits and more, I am continually humbled by the amount of work that our clubs perform in their communities. Moreover, the support for our Service Leadership Programs (SLPs) is phenomenal! Has your club considered starting a new SLP in your community? If you have been thinking about this, there is no time like the present. There are some outstanding District Administrators that are willing to help you start a new Builders Club (Bob Day), K-Kids (Jennifer Lewis), Key Club (Jeff Eble), Circle K Club (Chad Gardner) or Aktion Club (Dick Brulotte). These great leaders can provide your club with the resources necessary to add to the Kiwanis Family presence in your community. I encourage you to reach out to one (or all!) of them today!

Finally, I would encourage you to take a close look at where your club is and how far it has come since October 1. We are four months into the administrative year. How is your club doing on its goals? Are you recruiting members to meet your membership growth goals? Are your service projects and fundraisers still relevant to the needs of your community? If your club is not quite where you thought it would be at this point in the year, fear not! There is still time to regroup and refocus your efforts for the remainder of the year. Take some time at a regular club or board meeting to reevaluate your goals and ensure you have strong action items in place to exceed them!

I have completed official visits to 21 of 24 divisions so far this year. Each time, I am met with support and excitement for Kiwanis. Thank you, each of you, for sharing your passion for Kiwanis and making our District one of the best in all of Kiwanis International! Here is to an awesome February!

## OHIO KIWANIS JOB POSTINGS

### Ohio District Kiwanis Job Posting Announcement

At the most recent meeting of the Ohio District of the Kiwanis board, two new position descriptions were approved for distribution.

Approval came after much discussion about the current role and workload of the district secretary/executive director. As a result of this discourse, and to better meet the needs of the Ohio District of Kiwanis, the board took the following actions:

First, more tasks have been assigned to the district treasurer including the oversight of a third-party bookkeeper who will facilitate basic accounting journal entries and other financial related tasks. Secondly, a new position is being created -- the district events coordinator -- who will facilitate all Ohio Kiwanis family events while partnering with current standing events committees and service leadership programs.

Finally, by removing a lot of the financial- and events-related tasks, the role of district secretary, while still performing some administrative tasks, will be enabled to provide greater support to the clubs of the Ohio Kiwanis family.

Both of these positions are part time and will be employed by the Ohio District of Kiwanis as 1099 contracted employees. Hours for both positions will vary from week to week, with increased hours closer to district events. Both positions will work remotely.

Full position descriptions can be found here:

<https://k20.site.kiwanis.org/ohio-district-kiwanis-job-postings/>

Please submit your resume to [ohiokiwanisemployment@gmail.com](mailto:ohiokiwanisemployment@gmail.com).

## MEMBERSHIP MATTERS

Jamie Kaufman, District Membership Coordinator

### **We need you to get us on track to grow Kiwanis!**

The Ohio Kiwanis Membership Team Needs You! The Membership Committee is actively looking for members from throughout the district to contribute their talents locally to assist in coaching new clubs, existing clubs, or assisting with the opening of new clubs.

Ideal candidates would be any Kiwanis member that has a passion for Kiwanis and wants to share it. Club Coaches assist clubs by providing an outside perspective and a sounding board for new ideas and challenges. They help advise younger clubs by providing Kiwanis experience and help mentor existing clubs by offering fresh perspectives to challenges.

There is no pre-set mold for a club coach. Some of the folks who have made excellent coaches in the past have been past club officers, past club committee chairs and past Lt. Governors. But, really, it is any experienced Kiwanian that is committed to helping a club in an advisory capacity. Training would be provided to all members wishing to participate as a Coach.

Are you a member that enjoys talking to folks on the phone? If you are, please talk to us! The committee would greatly benefit from additional members that are willing to call prospective individuals and businesses to arrange one-on-one meetings with members of the New Club Opening team or Club Boosting Team to discuss Kiwanis with them.

Pre-set, quality appointments are an essential part of the club opening and boosting activities when the Membership Team comes into a community to open a new club or revitalize an existing club. Volunteering to assist with setting appointments is a great way to contribute to club openings around the Ohio District without ever leaving the comfort of your home -- or wherever you happen to be at the time. You can contribute from any location where you have a phone!

Please consider lending your talents to the membership initiative by getting involved. Many clubs and divisions are also in need of Membership Chairs. Growing Kiwanis starts with each of you. You can be the positive force that gets Ohio Kiwanis on Track for the Future!

If you would like to get involved in the District Membership efforts, please contact me at [james.f.kaufman@gmail.com](mailto:james.f.kaufman@gmail.com).

Our Regional Membership Team is:

Region 1 -- 1 N, 1 S, 12, 2 -- Steve Steinbruner

Region 3 -- 16, 17, 22, 26 -- Kip Crain

Region 5 -- 3, 4, 5, 6/7, 8 -- Judy Raub/Mark Haake

Region 2 -- 13, 14, 15, 24 -- Terry Mazone

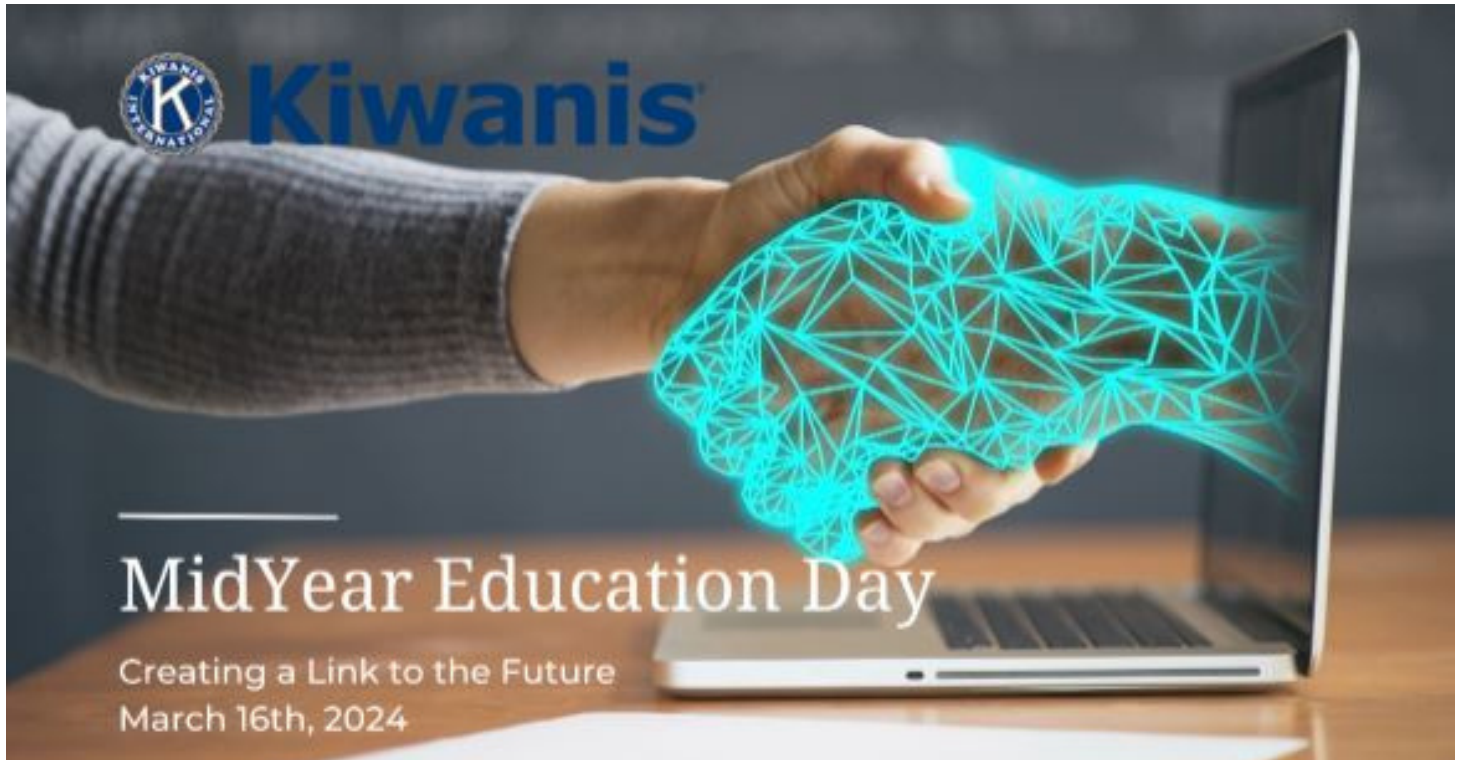

Region 4 -- 11 N, 11 S, 10 E, 10 W, 10 S -- Ted Barrows

Region 6 -- 9, 18 -- Angie Cooper

These Regional leaders stand ready to assist clubs, divisions, and Lt. Governors with their membership and new club opening goals. Please call on your Regional Chairs as a resource. The entire team is ready to assist you with your membership goals. Let's plan for a net gain in every club this year!

The big day is March 16, when we will connect online utilizing Ring Central (previously known as Hop-In) – allowing even more people to participate in a cost-effective way.

Starting Feb. 6, registration will be open on the district web site for MidYear Education Day 2024. It will be a day of connecting and learning for both our new and seasoned members.

We will have not one, not two, but three keynote speakers! We will hear from Paul Palazzolo, Executive Director of Kiwanis International; Ty Sell, motivational speaker from Youth 2 Youth International; and Allen Lynch, Medal of Honor recipient, from the Medal of Honor Veterans Foundation.

Additionally, we will have workshops that cover everything from how to receive a foundation grant for your club to how to mobilize and motivate volunteers. There will be something for everyone and best of all you can participate from the comfort of your own home.

Please share the excitement with your other club members as we gear up in "Creating a link to the Future.

If you are so excited for MYED that you would like to help sponsor the event, please visit MidYear Education Day – Ohio District of Kiwanis International where you can become a Grow, Serve, or Mentor level sponsor.

# MAKE YOUR PLANS FOR DENVER!

BY DR. RICH RADER, D.MIN.

PRESIDENT, KIWANIS CLUB OF MANSFIELD

LT. GOV. ELECT, DIVISION 11-N; OHIO DISTRICT CHAIR, 2024 ON TO ICON

Happy New Year 2024 from the Mighty Ohio District of Kiwanis. Can you believe the 2024 Kiwanis International Convention is ONLY 5 months away? Well, registration is OPEN and you can click [REGISTRATION](#) to reserve your spot TODAY!

Our goal for 2024 is to experience ICON with AT LEAST 106 Ohio Kiwanians. We also have a great option for housing as the Mighty Ohio District has been assigned to the [Hyatt Regency Denver](#), conveniently located across the street from the Colorado Convention Center. Make sure to click the hotel link to reserve your room.

This year's ICON will bring Kiwanians from around the globe to the beautiful city of Denver, CO from July 3-6, 2024, and we want to see YOU there for this tremendous experience. Top notch speakers, meaningful education, world-class entertainment, and a lot of fun awaits as we join together to take our love for children and service to new heights.

As a way to inspire and motivate in preparation for this life-changing event, we will spend some time each month here in the Buckeye Bulletin gaining insight into all this experience will offer as we prepare to converge on Denver for this special time.

Speaker Highlight: Chris Singleton -- The opening session features Chris Singleton, a former professional baseball player who was 18 when his mother died in a racially motivated mass killing. He has dedicated his life to sharing his message of love over hate.

Looking forward to seeing you soon...in Denver!

# RESOURCES AVAILABLE TO PROTECT YOUTH AND CLUB MEMBERS

Ronald Hyre,  
District Risk Management & Youth Protection Chairman

Hello Kiwanis Friends!

I am your 2023/24 Risk Management and Youth Protection District Chair. If you have questions pertaining to these topics, please do not hesitate to contact me. I do currently have a pretty full schedule with work and family. Email typically will be the easiest way to reach me, or texting. Unfortunately, I am most likely unable to attend your club meetings in person, but will be happy to help as best I can and provide resources and information as needed.

Please remember a couple very important guidelines from Kiwanis...

- **Risk Management (Insurance)**

- KI has a large national group policy that all clubs' dues go toward
  - This is ONLY Liability Insurance, meaning NONE of your club's property (think food trailers, tents, signs, equipment, etc.) is covered for incurring damage. Your club would need to purchase a policy on its own. I typically recommend using one of your members who is an insurance agent. I am an insurance agent and can help answer questions.
  - This policy does NOT cover your cash/assets. For any reason. KI does offer an OPTIONAL Crime Policy
    - This helps cover assets (cash, bank accounts, etc.) from someone stealing, be it a club member, someone with access to checking accounts. It also can help toward Cyber Crime.
      - Clubs have been tricked by scammer emails and lost many thousands of dollars.
    - Link for more information on the optional policies from KI: <https://www.kiwanis.org/wp-content/uploads/2023/08/optional-insurance-guide-2023-24.pdf>
- What IS or is NOT covered... types of events, activities, etc.
  - VERY Important Information – please read through the guidelines
- Certificates of Insurance
  - Please ensure if you are hiring anyone, they provide you a COI.
  - Typically, you would want your club added to their policy as an Additional Insured
- There is a LOT more to review – but these are a few highlights.
  - See my attached presentation, along with the guide from Kiwanis
  - Online resource guide (also attached here): <https://www.kiwanis.org/wp-content/uploads/2023/07/club-insurance-resource-guide-2022-23.pdf>

- **Youth Protection Guidelines**

- Every club is required to complete the annual Youth Protection Guidelines training with their club
  - This shouldn't take more than 15 minutes – it's a great topic for a meeting, especially if you need to find a 'speaker'
  - There is no set 'rule' as to how this done... the important part is to ensure ALL your members have a copy of the guidelines, and understand them. (I have attached here.)
    - <https://www.kiwanis.org/wp-content/uploads/2023/07/YOUTH-PROTECTION-POLICIES-PROCEDURES.pdf>
- Once completed – all you need to do is simply 'check the box' in the Kiwanis Portal on the Secretary Dashboard page (it's below the section where you input your Board members)

- **Background Checks**

- These tie into both Risk Management and Youth Protection... KI has rules for both
- Here is a great resource/website with many FAQs answered
  - <https://www.kiwanis.org/who-we-are/youth-protection/ki-background-checks/>
- KI basically wants anyone that is in charge of SLP clubs, advisors to the Clubs, or on the District Board to have a background check done.
  - Many Clubs make it a standing practice to have their Board members all background checked.
- Your Club can setup an account to have the background checks directly invoice the Club instead of your members needing to pay and then your Club reimburse

I will send out emails every month or two with Club Secretaries who have still not completed the Youth Protection Guidelines or have required folks still needing a current background check. Thank you all for your service and help!

## GAHANNA GOES DISTANCE FOR VETERANS

Several times during the year, Honor Flight flies veterans to Washington, DC, to visit monuments and memorials built in honor of their service to our country. Gahanna Kiwanis has sponsored the program with monetary donations to help with the cost of sending veterans in the past.

Recently, the club not only sponsored three veterans to participate in the honor flight program, but it was for three of their own club members. They were Frank Walker (Navy), Bill Sams (Air Force) and Terry Warren (Navy). Rich Gandarillas, who is also a Gahanna Kiwanis member was their Honor Flight Guardian. He volunteers on his own to ensure the veterans have a safe and memorable trip.

The group of veterans and guardians leave early in the morning, fly to Washington, DC, have a fun, busy day and then fly home later in the evening. They are then greeted at the airport by so many (family, friends, community members).

As an individual who has been at the airport to greet the veterans home, let me just say it is awesome. Smiles, clapping, crying, and goosebumps all rolled up in one. A band is playing music, a gentleman dressed as Abe Lincoln, other military groups and tons of people to greet veterans. One of the veterans coming off the plane told one of our club members as he was crying, "I wasn't greeted at all when I came home from serving or even told thank you or glad you made it home, but this made my day."

Not only did Gahanna Kiwanis sponsor three veterans to participate in the trip, it also had eight of club members and three Key Clubbers attend the welcoming-home portion of the day. What an experience! If anyone is interested in sponsoring or supporting the Honor flight program, information can be found at [www.honorflightcmh.org](http://www.honorflightcmh.org).
