Lima K-Family Day is a special tradition

Happy New Year! It's kind of crazy to think about being a quarter of the way through this century! Do you remember 25 years ago when we were freaking out about Y2K? Seems like yesterday. Yet here we are and now we are nearly a quarter of the way through our Kiwanis year, time flies.

As I reflect back on the first 90 days of my term as Governor, the words AMAZING AND HOPE come to mind. I can't help but be amazed by the commitment and creativity I have witnessed throughout the Ohio District. The projects and programs of our Ohio Kiwanis clubs are just fantastic.

I found the Family Day program presented by the Kiwanis Club of Lima to be simply AMAZING. It was held in November which is Kiwanis Family Month. The Lima club hosts a joint lunch meeting where representatives from each of their THIRTEEN service leadership clubs including students, faculty and advisors attend. Lima club sponsors one Aktion Club, one Circle K Club, one Key Club, five Builders Clubs and five K-Kids Clubs. WOW!

There were 89 attendees at this year's event, and I was one of them. The Lima club invited me to talk about my "BEE A HERO" project. It was great fun to teach the kids about the importance of BEES in a speed round of interactive Q & A where I rewarded them with Smarties candies for answering questions. Those kids were so smart and so fun that I actually learned a thing or two about bees.

After the kid-friendly buffet lunch, students from each club were asked to provide a summary of their club activities. This is where the word HOPE comes into play for me. To see so many students working in their school and community to help other kids their age gives me great HOPE for the future. These kids are learning empathy which is at the core of community service and that is a lifelong lesson.

It was a wonderful experience for me as well as Governor-Elect Marcia who accompanied me to the event. We both agreed this is the type of K-family project that should be duplicated by clubs and divisions. As this year Kiwanis year continues, I look forward to making my way throughout the state and learning all I can about the Mighty Ohio District. I hope to see you soon!

Yours in Service,
Governor Kelly Brown

News from our CKI family

Hello Ohio CKI

It was great to see you all at Fall Rally 2024! I hope you all enjoyed the event put together by our OWU and OSU Club Presidents, Elisabeth and Megan.

As we continue with the service year, I'm excited to announce that our District Convention is right around the corner! DCON will take place from February 7-9 at Bowling Green State University.

Every year in February, the entire Ohio District comes together at District Convention, hosted by BGSU Club President Hannah and District Secretary-Treasurer Jacob. At DCON, we celebrate our year of service, elect new district officers, socialize, give out awards, and have a blast! Everybody is greatly encouraged to attend, regardless of their position in the club.

This year, our DCON theme is "Parade into Service," so I hope to see you dressed up and ready for our celebration! If you're interested in running for a district position, DCON is the place to do it! Joining the district board helps you increase your involvement in CKI, sharpen your leadership skills, and have a ton of fun! If you have any questions about running for a position, do not hesitate to ask.

I can't wait for DCON and hope to see you all there! Registration is out now at ohiocki.org/dcon.

About 60 of our K-Kids members spent their meeting today writing holiday cards to school staff members, and cards to our local service men. They also began their tie blanket project for needy folks in Lake County. Key Club, Builders Club, school board members and Kiwanis members assisted in all these neat service projects. So proud of the great things these kids are accomplishing. And grateful for all the school and faculty support!

Remembering Faith

Kiwanians, family and friends will gather this month to celebrate the life and impact of beloved Faith Levine, who passed away after a short illness in November.

The following is her published obituary, followed by an article submitted by Cynthia Champer, which was published in her club's newsletter last month.

Faith Levine- beloved mother, grandmother, sister and friend to many passed away on Wednesday, November 6, 2024 at the age of 71 in Columbus, Ohio. Faith was born in Erie, PA to Harold and Ruth (Johnston) Moore. She is a proud alumna of Upper Arlington High School in 1971 and The Ohio State University with a Bachelor of Science degree in Administrative Sciences and Northwestern University with a Master's degree in Business. Faith was a devoted Kiwanian as an active member of the Dublin and I-Next Kiwanis Clubs, past Club President; past Lieutenant Governor and Past Kiwanis District Governor of Ohio, 2018-2019. Faith was a firm believer in following your passion and her passion was improving the lives of kids throughout the Kiwanis organization. Faith always had a smile on her face, and was compassionate and loving. She loved to cook and doting after her only grandson, Caden. Faith is survived by her daughter, Lisa Sires and husband Chip; beloved grandson, Caden Sires; sister, Deborah Lynn Wallace and niece, Kristin Nichole Smith and husband Tyler as well as her countless friends and fellow Kiwanians in Ohio and throughout the Kiwanis International family. A Celebration of Life will be held 12:30 pm Sunday, January 26, 2025 at the Amelita Mirolo Barn, 4395 Carriage Hill Lane, Upper Arlington, Ohio 43220. In lieu of flowers, contributions may be made to the Ohio District Kiwanis Foundation, c/o P.O. Box 668, Circleville, OH 43113 in support of the Dublin Kiwanis Club Advised Fund, I-Next Club Advised Fund or the 4-H Scholarship Fund, in Faith's name. Arrangements Entrusted to SCHOEDINGER NORTHWEST, 1740 Zollinger Road, Columbus, OH 43221.

Faith made incredible impact

We have all mourned the passing of our member and friend Faith Levine, but let us now concentrate on all of her positive impacts.

On a personal level, Faith and I (your club secretary) served together on the Business & Professional women's clubs, both serving as past state presidents. BPW back several years ago offered training on such areas as career development, public speaking & more.

Faith was also deeply impacted by the positive role model that her father left as a past Kiwanian & Lt. Governor in Grove City, Pennsylvania, where he served as Lt. Governor 4 times.

Educationally, Faith was a graduate of Leadership Dublin; and also held degrees from both the Ohio State University in urban planning, and Northwestern University, with an MBA in industrial marketing.

Serving as Ohio District Kiwanis Governor in 2018-19, Faith presented us with the Hedgehog Concept from Jim Collins book "Good to Great". With this in mind, she challenged us all to meet the following 4 goals:

1. Find what we are passionate about.
2. Grow GREAT clubs
3. Make the member experience more meaningful.
4. Increase service.

In November 2018, Faith announced that the new Short North Columbus club was added as the district's 220th club - making Ohio not only one of six district to exceed their October goal, but putting Ohio as #1 in goal attainment.

In May 2019, under Faith's leadership, the Ohio District stood at 7,042 members, with only one other single state district - Florida - being larger with 7,060 members.

Faith was also extremely passionate about work with our SLP, and convinced Past First Lady Cheryl Snellgrove to make a LARGE donation to I-Next, allowing it to form a Club Advised Funds program through ODKF, and thereby being able to fund scholarships.

Additionally, Faith served on the local level as Dublin's club secretary & president for numerous terms; and was Distinguished President for I-Next for 2023-2024.
Faith - we will miss you.

A memorial service will be held Sunday Jan. 26, 12:30 p.m., at the Amelito Barn in Upper Arlington.

GET TO KNOW A KIWANIAN -- WITH GOV.-ELECT MARCIA COPELAND HUDSON

During the past 15 years, I've been working with my fellow club members to make life better for children and families in our communities – one service project at a time!

After serving as president of the Kettering-Centerville Kiwanis Club, I began two terms as Lt. Governor for Ohio District Kiwanis Division 4. It was during that time that the Dayton region was struck by 20+ destructive tornadoes in one night – Memorial Day weekend, 2019.

Plenty of families in four clubs needed help after the disaster – and I was grateful to be able to help clubs secure Kiwanis grant funding and recovery efforts in devastated neighborhoods where many homes were seriously damaged or destroyed. For this work I received the Outstanding Lt. Governor award from Past Governor Faith Levine.

After this experience, I worked with Ohio District Kiwanis Governor Craig Smith to promote his 2021-2022 Governor's Project: an effort to help Kiwanis Clubs around the District become prepared for natural disasters. It was a great opportunity to visit several Kiwanians in divisions around the state.

I was born and raised in Dayton, Ohio. I sincerely believe “Kids Need Kiwanis” and I also believe grown-ups need Kiwanis, too – for friendship, for service and for purpose.

I've certainly found a sense of purpose in Kiwanis. My husband Larry and I are enjoying our Kiwanis volunteer service now that the kids from our blended family have grown up. With our careers in broadcasting now behind us, we're enjoying our work on projects that help others.

I look forward to serving as Ohio District Kiwanis Governor-Elect and helping our great Ohio District continue to build upon its century-long tradition of service to children and families!

I'm excited about Kiwanis – and I hope you are, too!

Marcia Copeland Hudson
