This is going to be an incredible year!

By Governor Marcia Copeland Hudson

Greetings Friends!

This has been an incredible journey on the road to becoming your Ohio District Governor.

These past few months I've visited Kiwanians throughout Ohio -- and witnessed exciting initiatives that serve children and families.

The innovative service projects and fundraisers that I have seen strengthen our effectiveness and point to a better future for our clubs, our divisions and our Kiwanis Ohio District. I'm grateful to Immediate Past Governor Kelly Brown for allowing me to travel the district with her during the past Kiwanis year.

"Thelma" and "Louise" wrap up their travels together throughout Ohio, with Thelma taking the wheel for 2025-2026!

During 2025-26, we will all learn ways to work together within our newly redrawn Divisions. Please support your new Lt. Governors as they help develop new Kiwanis clubs and work to strengthen existing ones.

Both efforts are crucial to the growth of our District. Just one new club within your division will add great value.

This I know for sure: WE ARE A FAMILY.

This is our theme for the Ohio Kiwanis District in 2025-26.

During the past year I've witnessed a lot of love and dedication to Kiwanis throughout this Mighty Ohio District. Let's remain good stewards of this mission to make life better for our children, families and communities.

First Family Project seeks to fulfill wishes for families

by Larry D. Hudson,

First Gentleman and Co-chair of the First Family Project

The serious illness of a child creates a crisis for the entire family – often leading to long stays in the hospital, fear about the future and disruption of family routines. On any given day, hundreds of families in Ohio are dealing with these realities -- facing the prospect of what can become a long ordeal.

These families are the focus of the 2025-2026 First Family Project, known as “One True Wish.”

The project calls on Kiwanians across the Ohio District to support two nonprofit organizations that help families in medical crisis: The Make-A-Wish Foundation and Ronald McDonald House Charities.

The One True Wish Project urges Kiwanis divisions, Kiwanis clubs and individual Kiwanians to support fundraising for Make-A-Wish, an organization that organizes special experiences for “Wish Kids” and their families throughout Ohio and beyond. Make-A-Wish is active in more than 50 countries around the world, has granted more than 550,000 special wishes and is supported entirely by donations.

The One True Wish project aims to raise \$25,000 during the 2025-26 Kiwanis year. The project encourages Kiwanis Clubs to undertake fundraisers for Make-A-Wish and to donate funds raised to the One True Wish project via the Ohio District Kiwanis Foundation.

Make-A-Wish focuses its effort on the “Wish Kids” – and looks to them to identify their “One True Wish.” The organization then arranges travel and specialized experiences designed to give the Wish Kid and the family the chance to “leave care behind” – at least for a little while. Families who have taken part in a Make-A-Wish trip typically describe it as “the experience of a lifetime” and the source of treasured memories.

The One True Wish project also calls on Ohio Kiwanians to support the six Ronald McDonald Houses in Ohio – located in Columbus, Cincinnati, Cleveland, Dayton, Akron and Toledo – as well as the one in Huntington, West Virg., that serves families in Southern Ohio. The project asks Kiwanis Clubs to organize volunteer support for the Ronald McDonald Houses -- to help prepare meals, stock pantries and help with other projects as requested.

The One True Wish project was inspired by the life of Lauren Diane Hudson, who experienced repeated stays at Dayton Children’s Medical Center (now Dayton Children’s Hospital). Lauren and her family loved her special Wish Kid trip to Disneyland, Universal Studios Orlando and Sea World in 2001. Lauren passed away at Dayton Children’s Medical Center at age 12 Jan. 8, 2002, surrounded by her family.

Sponsors make District installation a success

On behalf of Ohio District Kiwanis, we are thankful for the contributions to the 2025-26 Officer Installation celebration.

We are grateful for the following sponsors' generous support – which helps us strengthen families and build stronger, healthier and safer communities. Together we are advancing our mission to make a positive and lasting difference for children in the Ohio District.

#KidsNeedKiwanis – An Acrostic Poem

By Monica Marsh,
Lt. Governor, Queen City Division

I have been thinking about a conversation I had in a United Dairy shop recently, regarding Kiwanis. I gave my typical elevator speech and noted our popular hashtag **#KidsNeedKiwanis**.

Fellow Kiwanians understand that Kiwanis, although technically a noun, is actually a verb. It is what we DO!

So I wrote the following acrostic poem, which uses every letter in a word or phrase starts a phrase which relates to the poem's subject:

Kindness shared in every deed.
Investing in a child's bright future.
Dedicated volunteers who help them succeed.
Service to the children of the world is the mission.

Nurturing and supporting those in need.
Empowering young people to grow.
Encouraging leaders of tomorrow.
Doing good for one another.

Knowing that every kid can thrive.
Improving communities and changing lives.
Working together to make a difference.
Always serving, through generosity and fun.
Nobody achieves alone what a team can accomplish.
Inspiring the best in each of us.
Serving the children of the world.

Installation launches new Kiwanis year

The stars were out in Dayton Sept. 20 as the Ohio District Kiwanis celebrated the installation of officers for the 2025-26 Kiwanis, signaling the start (albeit a little early) of the official Kiwanis year.

Master of Ceremonies Marsha Bonhart made sure the event highlighted the installation of Marcia Copeland Hudson and her husband First Gentleman Larry, from the Kettering-Centerville Kiwanis club.

Their theme for the year is “One True Wish,” highlighting work being done through the Make a Wish Foundation along with asking members to provide volunteer service hours at the Ronald McDonald House.

Also congratulated for “being 110 percent in her service to our District during the past year” was Immediate past Governor Kelly Brown and her husband Larry, of Dayton.

Congratulations were also in order for Ohio’s Amy Zimmerman of the Cincinnati/Beavercreek area, who was recently elected to a three-year term as a Kiwanis International Trustee.

The 100-plus Kiwanians enjoyed lunch and homemade cake, while also recognizing 2025-26 Lt. Governors and District board members; the Ohio District Foundation and the Kiwanis Children’s Fund; Kiwanis Service Leadership programs; and installations of the District Secretary Robin Gagnow; District Governor-elect Judy Raub; and Immediate Past Governor Kelly Brown.

Our District Installation

This year's District Installation event was a festive affair, with Kiwanians from throughout Ohio gathering in Kettering to celebrate the new leadership team heading into the 2025-26 Kiwanis year which started Oct. 1.

I look forward to successful year ahead

By Judy Raub,
Ohio Governor-Elect, 2025-26

It is my honor to serve the Ohio District in this role at this time. I will be working on assembling my team for the 2026-2027 Kiwanis year, as well as continuing my work on the membership team under the leadership of Chairman Rick Fox.

However, before I could really start, I needed to finish out my fourth term as Lt. Governor for Division 8.

I have attended meetings for all of my clubs -- Anderson Hills Region, Mariemont, Milford, Southern Hills, and, of course, my home club, East Fork Region. I ensured they were up to date on district happenings and caught up on their individual club projects. They all have great community involvement, and it serves them well.

I also provided all the incoming club leaders, who have not participated in our district's in-person Club Leadership Education, with links to where they can find the Kiwanis International video training courses. Many of the incoming club leaders have viewed their positional training and have thanked me for the information.

I have also participated in many service opportunities, and the Greater Loveland club, of which I serve as one of the club coaches. It's been a busy time of year.

I look forward to seeing you and working with many of you during the coming year. I wish you all great success in your clubs and the goals that you have set.

If you have any questions, feel free to reach out at jraub919@aol.com or my cell 717-917-2741

In Kiwanis Service,

Judy Raub,
Governor Elect, 2025-2026

Past Kiwanis Year had many highlights

By Immediate Past Governor Kelly Brown

Thanks to all you for a successful year! It has been an honor to lead our Ohio district for the past year. As we closed out 2024-25 and enter into the new Kiwanis year, I thought it was only fitting to share some of the year's accomplishments.

Events

We kicked off the year with the District Installation event Sept. 8 at Capital University in Bexley. We had 90 attendees and lots of fun with the Garden Party Theme, which tied with the Pollinator Project.

In March we hosted the MidYear Education Day. This year's theme was Spread Your Wings and Take Flight! Held at the Quest Conference Center in Westerville, we had 190 attendees and got great reviews.

In June, 165 of us Ohioans traveled to Pittsburgh for International Convention. Our district had a goal of 85 attendees, which we crushed at 195 percent! We were entertained by an excellent keynote speech by NFL legend Terry Bradshaw. Ohio's own Amy Zimmerman was elected International Trustee and Neha Pasupuleti was voted in as Vice President of Circle K International. Ohio Aktion clubbers met up with Pennsylvania Aktion clubbers and had the first ever joint event at International convention; the event was highlighted by a visit with International President Lee Kwan Yong and International President Elect Michael Mulhal.

In August we held our District Convention in Niles Ohio – it was The Place to BEE! We had a super fun experience with nearly 200 attendees. We played SINGO and held a BEE-BOP Ball. We elected our new leaders, Governor Marcia Copeland Hudson, Governor Elect Judy Raub and F&S Committee members, Willie Heggins.

BEE A HERO – The Governor's Pollinator Project.

More than \$17,000 was raised through donations to the project from various clubs and divisions. We also received a \$5,500 grant from Kiwanis Children's Fund for the project. We collaborated with Save Ohio Bees on how to raise awareness and manage the project. We also enjoyed a keynote address from their founder Tracy Teucsher at MidYear. There were 38 grants issued to clubs and SLPs for Pollinator Projects.

The project received media coverage through local TV and several newspaper articles. It was also promoted at various events, and I taught five pollinator classes at Shelby Day camp! Grant money is still available. You may apply for a Pollinator Project grant through Dec. 31. It's not too late to sow seeds or plan for next spring. Be sure to record your project or your own personal pollinator garden on our ODK website. All gardens count!

[Record your garden here](#)

Expanding our Kiwanis Family.

We started new Kiwanis clubs in Greater Loveland and Fairport Harbor! We are currently working to build clubs in Conneaut and Huber Heights. Two of our Kiwanis Clubs have had tremendous growth with Berea adding 19 new members and Bay Village adding 35 new members. WOW!

At last count Ohio had a net gain of 238 members, but this is before the October purge. We won't know our finals until mid-October...fingers crossed!

'Highlights' continued on next page

'Highlights' continued from previous page

Ohio Student Leadership Programs are growing too!

Circle K has 15 clubs with 292 members, which represents 28 percent growth during the past two years! Ella Powell's Governor's project, Service from the Heart, has already exceeded its fundraising goal of \$1,000 and reset the goal to \$5,000. The district received the following awards at ICON: The Distinguished District, Distinguished Governor- Neha Pasupuleti, Distinguished Editor- Ella Powell, Outstanding District Administrator- Chad Gardner, Distinguished Kiwanis Committee Member- Shawn Sech, and Distinguished Service Initiative Involvement, 2nd plan Gold Division Outstanding Club Achievement, 2nd Place Outstanding Single Service- Baldwin Wallace University. Great year Circle K!

Key Club has 205 clubs and about 8,500 members. They are working on four new clubs and one recharter, as well as pursuing the re-establishment of up to 30 abandoned clubs.

Builder's Club has 98 clubs including three new charters. The Big Walnut Middle School Builders Club in Sunbury met the requirements to be named as distinguished. The Builders Club of Heir Force Community School in Lima met the requirements to be named as an honor club.

K-Kids -- It's been a great year for Ohio K-Kids, too. There are 72 clubs, with 58 of them active. Three new clubs started this past year. Worldwide there are 1,136 active K-Kids with 84 new clubs built in 2024-25.

Aktion Club is thriving with 33 clubs in Ohio. Our district continues to be the Aktion Club leader in KI with the most clubs of any district throughout Kiwanis International! This year we chartered the first ever Virtual Aktion Club with 80 charter members, it has now grown to 130 members. Our largest in-person club is in Seneca County with 68 members, which is soon to be 88 members as they install 20 new members at their next meeting! There are 761 Aktion club members in Ohio. Two new clubs are being formed in Butler County and Greene County as I write this report. Big thanks to Dick Brulotte for being the amazing Aktion Club Administrator for the past six years. Welcome to new Administrator Del Ray Fox!

Our ODK Board of Directors took action to start a Historical Committee, led by Cindy Champer, and approved a District Webmaster position filled by Anthony Elbon. PR/Marketing Coordinator Cliff Wiltshire expanded our communications by re-thinking our email lists to reach more of us. We also contracted with an intern to help with the District Directory.

The big project this year was Division Realignment. For the first time since 1998, our district took on the huge task of a major division realignment. We started this past year with 24 divisions and will start the new year with 19 divisions. We also changed from division numbers to names. This was no easy task, but was necessary to equalize the size of our divisions and make them more manageable. We thank all of you for your patience and cooperation through this process.

Our district has practiced great financial responsibility. Big thanks to District Treasurer Bob Buescher for keeping on track and making sure we finish "in the black"

Fun Stuff

A lot of time and energy goes into being the Governor, but it's not all work – I had some super fun experiences; here are just a few.

- First pitch at Dayton Dragons game
- Kettering Holiday at Home parade
- Pollinator Polooza in Columbus
- Shelby County Day Camp
- * Granville 4th of July parade
- * Shel-Bee Festival
- * Oxford Bee Festival

I also have acquired the most amazing BEE collection thanks to the many gifts I received throughout the year. I especially love Wallace Peck painting, the embroidered pillow, the BEE blanket and the watercolor painting from Wooster. THANK YOU OHIO KIWANIS FAMILY FOR A GREAT YEAR!

Proper training is important for Kiwanis leaders

With the start of a new Kiwanis year on Oct. 1, we welcome a new slate of club leaders.

It is important that all have Club Leadership Education (CLE) training - even those who have held this role in the past. Kiwanis is constantly evolving and changing especially this year with the new Engage platform.

Virtual CLE training is currently available online for Presidents, Secretaries, Treasurers and Membership Chairs. The Engage module is also offered on the same site.

Each module about an hour and a half, so not overly taxing to do.

To access the training, visit the website:

Hello, friends. Thank you for liking my Governor's page and being a part of my year's journey. 10/1/25, my first official day as the Ohio Kiwanis Governor, was spent with the Kiwanis Club of Sandusky, Ohio. I had the honor of installing their officers and Board of Directors. I also spent some time exploring the city and took pictures of downtown Sandusky. The statue in the picture was a monument for escaped slaves headed toward Canada. It's right along Lake Erie. There is a point where you can see Canada's Pelee Island.

‘Join or Die’ film shares powerful message

Join or Die -- it's a serious message. Originally it was a political cartoon showing the disunity in the American colonies in the context of the French and Indian War in 1754, and it is attributed to Benjamin Franklin.

The modern-day reference is to a documentary which explores the importance of civic engagement in our communities and each other. It shows us what is possible when people and communities pull together. It also contributes to our organization's longevity.

Watch *Join or Die* on Netflix to learn more.

Can this *Join or Die* documentary be a tool to grow our Kiwanis family in your community?
