KI President invites members to ICON

Kamusta po, fellow Kiwanis members!

“Kamusta po?” — meaning “How are you?” in Filipino — is more than just a greeting; it reflects the warmth, hospitality and genuine care that the people of the Philippines emulate.

That spirit of connection will come alive June 24–27 during the 2026 Kiwanis International Convention in Manila. This convention will offer more than workshops. It’s a unique opportunity to experience the vibrant culture and kindness of the Philippines.

By joining together in Manila, we not only continue our mission of serving children and communities but also embrace the essence of what it means to be part of a global Kiwanis family — united in purpose, friendship and service.

During that week, we’ll exchange ideas, celebrate our shared successes and build lasting relationships that transcend borders. I can’t wait to share this incredible experience with you in Manila!

---**Michael Mulhaul, 2025-26 Kiwanis International President**

Registration for the [2026 Kiwanis International Convention](#) is now open. Enjoy a new cultural experience in [Manila, Philippines](#), where you’ll bask in the hospitality provided by Kiwanians in one of our fastest-growing regions. You’ll also find new ways to serve kids, grow membership and more. Come add value to your Kiwanis membership — in the company of Kiwanians from around the world.

There is a shortened registration window for the 2026 convention. Prices increase on February 3, and registration closes on April 13. There will be no onsite (walk-up) registration offered in Manila. You must register by April 13. The registration fee covers attendance at both the Kiwanis International convention and the Asia-Pacific Region convention.

Accommodations

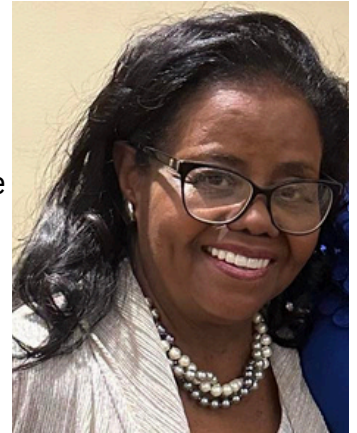

The Marriott Hotel Manila will be our venue for all meetings, events and education. However, a range of hotel options within reasonable distance of the convention site are available. Reserve hotel rooms as early as you can. We expect some of the hotels to sell out before the April 13 registration deadline.

Early reservation is also important if you have accessibility requirements. Inform your hotel of any accessibility accommodation needs when making reservations — and confirm them ahead of arrival.

Don’t miss this unique opportunity for international travel and [new cultural experiences](#), along with the education and fellowship of the annual convention. [Get more details and register today.](#)

Let's Continue to Grow Together in 2026

As we begin 2026, let's give thanks for the new year -- and for the opportunities to serve the new year will bring. With your help, the Ohio District will continue to change and grow in response to the ever-changing needs of our communities. With the emergence of a new division alignment and a renewed identity for each division, our journey toward greater service and unity is just beginning.

In recent visits by the Ohio District Leadership team to several of our clubs, we have encountered an inspiring atmosphere of collaboration. Division leaders and members alike are demonstrating a genuine commitment to our shared mission: serving the children and families in our communities. This collective spirit is the bedrock of our success, and it's heartening to see how we can unite under a common cause.

This is a critical time for the growth and development of the Ohio District. It will take all of us to achieve success. Under the guidance of District Membership Chairman Rick Fox Jr., our focus has rightly centered on developing new Kiwanis clubs.

But as we push the plan forward, let's not forget the Kiwanis clubs that already exist. It makes little sense to spend all our effort building new clubs while allowing those already in operation to fail. We find ourselves in a critical situation: several clubs are now below charter strength; others are at risk of folding.

Both paths — establishing new clubs and strengthening current ones — are vital. Every member, every effort, matters. New members are essential to our mission. New hands and hearts make our work helping others more effective. It is essential to recognize that we can fuel our growth in more than one way.

Find your passion for service. Whether you are drawn to starting new Kiwanis clubs or revitalizing existing ones, both avenues are essential to our mission's success. It is time to move from discussion to action; we need you to step up, champion your interests, and take decisive steps toward our collective growth.

There is one problem we should solve as soon as possible. It concerns an Ohio Kiwanis division that, as of now, has no Lieutenant Governor. It might surprise you to learn that the division in question includes Downtown Cleveland and the city's eastern suburbs. Given the area's population, importance and potential, it is perplexing that we have not yet identified a leader from the Kiwanis clubs in this prominent community.

Happy New Year from the First Family Project

Our mission is to make life easier for parents and families of hospitalized children. Your generous contributions support Make-A-Wish, which makes dreams come true for “Wish Kids” and their families.

We’re also urging Kiwanians to support Ronald McDonald House Charities with volunteer hours, in-kind contributions and by collecting pop tabs for the Ronald McDonald Houses to recycle. Learn more by scanning the QR code – or by pasting the following in your internet browser:

As we navigate this critical time for the Ohio District, achieving our goals will require the commitment and effort of each member. Your service is invaluable, and together we can forge a path toward a thriving future for the great Kiwanis Ohio District.

On behalf of the District Leaders, thank you for your unwavering dedication to our mission. Let’s greet the new year with confidence and determination to grow together.

Wishing you, your families and the children of our District, a prosperous and joyful 2026!

Mid-Year registration opens this month

On Saturday March 28, Kiwanians from across the state will gather for the Ohio Kiwanis Mid-Year Education Day. It's an annual event built around leadership, hands-on training and service that makes a lasting impact. It's a chance to sharpen skills, share ideas, and strengthen the work Kiwanians do for children and families throughout Ohio. Register at: <https://k20.site.kiwanis.org/mid-year-education-day/>

Hosted by the Ohio District of Kiwanis International, this day is designed to energize clubs, engage members and equip leaders with practical tools they can put to use right away in their communities.

Breakout Sessions and Workshops

This year's program offers a fresh mix of sessions for members at every level. Highlights include:

- Officer training for Presidents, Vice Presidents, Secretaries and Treasurers
- Newark Earthworks: exploring Ohio's historic landmark
- American Sign Language basics
- Youth risk mitigation and children's mental health
- Hands-on CPR instruction
- Social media & AI strategies for club success
- Building multi-generational inclusivity

Each workshop is focused on real-world skills and knowledge that strengthen clubs and enhance service projects.

Support the 2025-26 First Family Project

A centerpiece of the day is support for the 2025-26 First Family Project, benefiting Ronald McDonald House Charities across Ohio and Make-A-Wish. Members are encouraged to bring donation items and join fundraising efforts that help children and families facing medical challenges.

Requested Donations for Ronald McDonald House include:

- Toiletries (shampoo, conditioner, body wash, toothbrushes, toothpaste)
- Pantry items (snacks, shelf-stable foods)
- Cleaning supplies
- Laundry detergent and dish soap
- Paper products (paper towels, tissues, toilet paper)
- Gift cards (grocery, gas, restaurants, retail)
- Handmade blankets or comfort items for children

All donations collected will be distributed to Ronald McDonald House locations across Ohio. Make-A-Wish representatives will also share resources to help clubs continue their support throughout the year.

Networking & Collaboration

Education Day isn't just about workshops — it's also about connection. Members will have time to network, exchange ideas and collaborate on new initiatives. These conversations often spark projects that strengthen clubs and build unity across the district.

Be Part of It

Join us Saturday March 28, 2026, for a day dedicated to growth, service, and the spirit of Kiwanis. Together, we'll learn, serve, and continue making a difference -- one child and one community at a time.

--Sally Schaadt and Brian Gottfried , Mid-Year Education Day Coordinators

ODKF efforts touch countless lives

By Steve Vrooman, 2025-26 ODKF president

Thank you to Ohio Kiwanians!

The mission of the Ohio District Kiwanis Foundation is to raise, manage, and distribute funds to support programs of Ohio District Kiwanis family organizations for the improvement of the lives of children and families. The work of the foundation helps the Kiwanis family of programs change children's lives, impact communities, and nurture the next generation in ways that might remain beyond the resources of local Kiwanis clubs.

Thank you to the many Ohio Kiwanians, clubs, divisions and caring friends of Ohio Kiwanis for supporting the Ohio District Kiwanis Foundation's programs. Without their backing, the ODKF wouldn't be able to assist countless numbers of Ohio kids and families. During the 2024-25 Kiwanis year alone, ODKF-funded projects have helped more than 365,000 children and families. Your support is making a difference. Thank you!

Since 1988, grants totaling more than \$1.45 million have been awarded to Ohio District Kiwanis clubs to support projects that benefit kids and families in their communities. This number is possible thanks to the support of individuals, clubs and divisions and your recognition of the needs of the communities. Thank you!

Your Ohio District Kiwanis Foundation provides support to projects of Ohio District Kiwanis governors. Your financial contributions to Governor Marcia's One True Wish project and previous appeals have raised thousands of dollars to improve the lives of kids, families, and communities in Ohio. Thank you!

Financial support to the Ohio District Kiwanis Foundation comes through Planned Giving; Ambassador Program; Ohio Vehicle License Plates; Golf Outing Teams and Sponsors; Basket Room Auction; Legion of Honor; Past International Presidents Awards; Schneider, Williams, Sellers, and Penn Awards; and Memorial and Honor Gifts. Your ODKF all-volunteer staff and board are meticulous about using your donations effectively and efficiently. Thank you!

Ohio kids, families, and communities need Kiwanis and, because of you, the Ohio District Kiwanis Foundation support is available to them. Thank you!

Let's resolve to make this a year of active service

Welcome to 2026. I hope everyone had a wonderful New Year's celebration.

It's now time to get our new year thoughts together. Because New Year's resolutions have always been difficult to achieve, possibly changing our focus toward helping others might be more rewarding, more fun and more successful.

Why did you join Kiwanis? Service seems to be a common answer. What kind of service appeals to you? There's a difference that we really should consider. That is the difference between active and passive service.

Active service is what made Kiwanis strong and continues to provide Kiwanis clubs with a reason for existing. It is hands-on work, the face-to-face contact with our communities. It's the smiles on children's faces who receive our caring attention.

It is also the behind-the-scenes work planning the projects, raising the funds and getting the other resources together to make it all happen. Without the backroom activities up front, service would not be as effective or might be nonexistent.

Passive service is writing a donation check, belonging to your Kiwanis Club, or maybe just showing up and socializing with other members, or being seen by your community.

It's time for us to reactivate and expand our service work. Active service work includes all of the backroom activities. It includes being a leader in your club. Active leadership means active service work. Without active and engaged leadership, our clubs are flying on autopilot, not able to adjust to changing conditions or able to sustain themselves as membership declines by virtue of time. There is no way to implement a strategic plan. It takes more effort to stay the course each year. Direct services to our communities eventually suffer.

As we approach the time for annual meetings and elections of club and division leaders, please consider adding this type of service to your Kiwanis resume. Our clubs need you to serve as club president, president-elect, secretary, treasurer, and directors.

Our divisions need Lieutenant Governors to represent their club's interests at our District. Our District needs Kiwanians to serve as Committee Chairs and so much more.

The service provided as leadership is essential for our club's success in our communities. From project ideas, planning, and execution to membership development, growth and replenishment, service includes it all, from pancakes to board meetings.

The good news is that you don't need to do it alone. Training is available, and a network of fellow Kiwanians is ready to help you. Reach out to your Lieutenant Governor and other District leaders who truly have been there and done that. Visit with other club members and leaders at divisional meetings and at Mid-Year Education Day.

Because Mid-Year, annual meetings/elections, and Lt. Governor training are starting to appear right around the next turn in the Kiwanis Road, this may be a good time to start the process for those who might be thinking about what they can do to change the future for my club or Kiwanis in general.

Thank you for what you are currently doing. I ask that you think about putting your personal plan in place and help your club grow in service for the good of our community and its children for 2026 and beyond.

Nominate your special project for Signature Project Recognition!

The nomination period for the 2026 Signature Project Contest is now open! This is an important club and district event that has been growing each year since it started in 2017. Here are the key details to share with your clubs:

- The contest opens on Tuesday, January 6, and closes on Thursday, January 29, 2026
- Entries can only be received by completing the online forms found at www.kiwanis.org/signatureproject. The links will be available and live on January 6. Note we are using a new platform for the contest so it will look a little different, but is greatly improved!
- When a club submits an entry, a copy will be generated to the club, its district secretary and district governor.
- The districts will need to submit their top entry for each group by Thursday, February 26. A link will be provided closer to this date. As a reminder, clubs with fewer than 27 members are Group 1 and clubs with 28 or more members are Group 2.
- Districts and clubs will be notified in early April if their club projects have been selected to the Top 10 of each group.
- NOTE: We will not be having the Signature Project Breakfast at the convention this summer. Instead, we will package and send this celebration to the districts that have top 10 finalists for use at their district conventions.

Thank you for your continued support of this project. Please reach out with any questions!

New Aktion Club starts in Butler County

Three Kiwanis Clubs from the Queen City Division have been working together to cosponsor an Aktion Club in Butler County. The Kiwanis Clubs of Lindenwald/ Hamilton/Fairfield, Middletown, and Oxford (of the 11 clubs) sit within Butler County. Organizers are very appreciative to Dick Brulotte and Del Ray Fox for their support.

The Aktion Club of Butler County officially chartered on Dec. 9. They are still waiting on the pins and certificates to arrive. There are 21 members who are all clients of The Lodge Activity Center in Hamilton. The club has established officers under the direction of their site adviser, Michele Stanfield and has been meeting since October at 11 a.m., the first Wednesday of the month.

Monica and Marla Marsh, club president, serve as the Kiwanian representatives from the three clubs. Members of all 3 clubs will continue to be encouraged to attend meetings and events.

The first Wednesday of January members will be assembling blessing bags for an event in Middletown, where people who are homeless will be fed.

--Marla Marsh, president, Kiwanis Club of Middletown
