### A Big Thank you

To Carolyn and Peter for providing the supper for our meetings and it was good to see Carolyn walking in after her recent replacement knee operation

### **COMMUNITY SERVICE :**

At our last meeting Chris read out a special thankyou letter from the Australian Lutheran Word Service for our donation of \$250. to support children in Africa who need help to enable them to go to school by providing them with clothes, pens, bags etc. They told us about a young boy refugee named *Sabit*, who can now continue at school so he can achieve his dream of becoming a Doctor or Engineer and then go back to help out people in his village and country

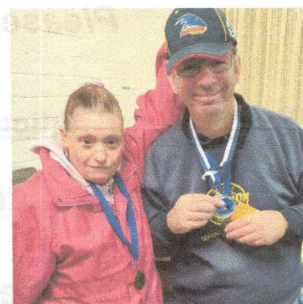

We had a good turn out of members at our last meeting.

We look forward to everyone coming to the Bingo night on Tuesday the 3rd of June
