Children First Foundation Miracle sMiles Program

Why are we collecting funds?

The Children First Foundation's Miracle sMiles Program facilitates *life-changing surgery in Australia for children from developing countries – as complex surgery is not readily accessible in these children's countries.*

By collaborating with exceptional Australian surgeons, health professionals and hospitals, and with generous support of CFF donors, Children First Foundation helps facilitate access to world-class surgical care in Australia.

What medical conditions does CFF assist with?

Conditions must be operable, unable to be treatable without assistance in the child's country and improve the child's quality of life. CFF help facilitate surgery and treatment of a range of conditions, including Orthopaedic, Craniofacial, Neurosurgery, Plastic and Reconstructive surgery (including burns), renal and urology, General surgery and Otolaryngology Head and Neck surgery,

Pre-and Post-surgical care

Children and their accompanying parents/guardians are cared for around Australia. 24/7 holistic care is provided by a team of skilled and dedicated CFF staff and volunteers to maximise the results of each surgery, recognising and responding to each child's physical, emotional and cultural needs.

Further detailed information- is available on the CFF website relating to other matters

including: Hospital and Medical Team works that CFF works with preparing for surgery; maximising the impacts of the surgery; Education to prevent children from falling behind in their learning while they undergo treatment; Emotional Healing; before the child returns home.

What can you do?

Donate to the Kiwanis Australia District Charitable Foundation for the Children First Foundation 'Miracle sMiles' program and your donation will help transform the lives of disadvantaged children from developing countries by helping them receive the medical care they need.

100% of this donation will be distributed to Children First Foundation for the **Miracle sMiles Program.**
