Today's presentation was Ed's annual discussion of the Youth Protection Guidelines. All members need to read and understand these guidelines. Please refer to Ed's Aug. 8th email with the Kiwanis International Youth Protection Policies and Procedures. Also, all members are required to have an updated background check on file with our secretary, Rick. If you have any questions, call Rick to see when your new background check is due for renewal.

Happy dollars: Everyone was happy with today's great weather and Ed's presentation. Also, Shirley was happy for the arrival of her 18th great-grand baby!

Due to the fact that there was vandalism to the air conditioning at the construction site at Queeny Park, our group could no longer be accommodated in August. However, we have some Good News because we have now secured the **St. Louis County Kennedy Recreation Complex in South County** -- 6022 Wells Rd., St. Louis, MO 63128. We also have new dates which we feel will work better for schools and churches -- New dates --- **September 8, 9, 10 and 11th**! Also, Parking is much more plentiful and more accessible. We think this will be a blessing to FMSC's outreach program. We will need up to 3500 volunteers in order to pack our goal of 1 million meals. So, we are hoping you will spread the word and possibly we can encourage many of the schools and churches to participate in this community project! Canned Goods will also be collected for Operation Food Search during this mobile pack. Please visit us at feedtheneedstl.org.

For your information, Feed My Starving Children has sent over 15 million meals to the Ukraine Area.
