Stuart Parkinson
Graham Schram
Nancy Sherritt

EDUCATIONAL SPOT

Eliminating iodine deficiency disorders (IDD) is the objective of Kiwanis International's historic Worldwide Service Project. The easiest way to prevent IDD is by iodization of salt, which has eliminated IDD in most developed countries. The goal of the Worldwide Service Project is to raise US\$75 million to finally eliminate IDD by salt ionization and public education in all the remaining at-risk areas of the world. The project surpassed this goal in contributions and pledges in 2001.

THOUGHT FOR THE WEEK Every year you make a resolution to change yourself. This year, make a resolution to be yourself.

Highlights of the Thursday, 28 December, 2023 Weekly Meeting (Round-Table)

This week's meeting was an informal, "Round-Table" social meeting, open to all members. It was held in Myra's Restaurant at the Best Western from 12:00 until about 1:00 PM. Members in attendance reviewed some of the pleasurable events that have occurred with their families over the Christmas Holidays and enjoyed the general friendship and camaraderie.

Some members who, previously have been very busy with work and others who have been ill, were able to join us at this time.

In attendance were:

Jim Steele, Joanne Murray, Joan Griffin, Alfred Hauk, Paulette Hauk, Leo Vos, Bob MacLean, Nancy Thompson and Dave Lewis

We all parted wishing the others well, and a Happy new Year.
