Highlights of the Thursday, 03 July, 2025 Weekly Meeting

President Nancy Thompson, welcomed all members and Guests.

President Nancy opened the meeting with the Land acknowledgement to the Host Nation Peoples.

Phil Hoekstra was called to present the 50/50 Draw with Faye Prince and Alfred Hawk holding potential winning tickets, but neither were able to find the Joker.

Today's Funmaster was Joanne Murray who called for Happy Stories which were presented by:

- Joan Griffin who indicated she is off to England next week
- Nancy Thompson is preparing for her son's wedding next weekend
- Len Makkreel said that, after much work cleaning a large picture window facing his back yard, a large bird flew into it, making quite a mess.

Joanne noted the following Anniversaries:

Graham Schram – Joined – July 4 -- 47 years
David Lewis – Joined – July 7 – 14 years

Nancy Thompson called Jim Steele to the podium

Jim Steele was our Guest Speaker for today, with his focus on an important topic that has come from this year's Membership Satisfaction Survey. That Topic is "New Service Projects and Fundraising Ideas" for our Club.

Before we got into the Workshop portion of today's program, Jim gave a quick review of our current projects.

Workshops for “New Service Projects and Fundraising Ideas”

Jim Steele, had organized all members into three working groups at three tables. He gave instructions that, each table’s objective was to come up with at least one New and significant Service or Fundraising Project with details about focus, cost, Community involvement, Member involvement and time lines.

Each of the working groups were supplied with work sheets to record suggested action Items, and the resulting conclusion that each group came to. After a period of about 20-25 minutes, a Spokesperson for each group presented their proposed New Project.

The written documents of the three proposed Projects were collected by Jim Steele for further review, consideration and development. At some point in the near future one or more of these suggestions may be presented to the Board of Directors for their consideration.

President Nancy thanked Jim Steele for a well-run and meaningful Workshop and called for any Announcements or Committee Reports.

Seeing none, President Nancy thanked all members

The final thought of the Day:

"The only way to discover the limits of the possible, is to go beyond them, into the impossible" - Arthur C. Clarke.

If there is nothing else for the good of Kiwanis, we will adjourn this meeting with the ringing of the Bell.
