President Maureen's Thought of the Week

"Volunteering is an act of heroism on a grand scale. And it matters profoundly. It does more than help people beat the odds; it changes the odds."

William J. Clinton

Kiwanis Education

This week we are taking a look at what Circle K is all about!

Circle K International (CKI) is one of the world's largest student-led collegiate service organizations, with thousands of members on hundreds of campuses across the globe.

The collegiate branch of the Kiwanis International family, CKI is committed to developing leaders by offering unique service, leadership and fellowship opportunities that change the world and the lives of our members.

CKI members leave college with real-life skills in networking, advocating and service leadership.

CKI members are dedicated to childhood development, environmental justice, mental health and serving those who are food insecure or lack housing. We also partner with several international organizations that share our values, including [UNICEF USA](#), [Active Minds](#) and [The Nature Conservancy](#).
