President Maureen's Thought of the Week

Why should there be hunger and deprivation in any land, in any city, at any table, when man has the resources and the scientific know-how to provide all mankind with the basic necessities of life? There is no deficit in human resources. The deficit is in human will." Martin Luther King Jr.

KIWANIS EDUCATION-OUR IMPACT

Kiwanis clubs and members conduct service projects. They hold fundraisers. They donate to the Kiwanis Children's Fund. They change children's lives in their own communities and through international initiatives — helping young people develop mentally, physically and emotionally

Every year, Kiwanis members stage more than 1.3 million service projects and raise nearly US\$390 million for children, families and communities around the world. Kiwanis club projects are based on the community's needs — we build playgrounds, purchase medical equipment, stuff backpacks with school supplies, restock libraries and much more. The average Kiwanian makes an impact on the lives of 106 children.
