

Highlights of the Thursday, 30 April, 2026 Meeting

The meeting this Thursday 30, April 2026 of the Kiwanis Club of Brantford was a cozy social discussion among a stalwart smaller group of members and Guest Debbie Messer, since several of our members were attending the EC & C District Convention in Toronto, Thursday 30-April to Saturday 02-May-2026.

Vice President Karen Adams, welcomed everyone and opened the meeting with the ringing of the Bell and a suggestion that they use the time for spontaneous social discussion.

VP Karen Adams, thanked all members and Guest Debbie Messer for joining us today.

VP Karen asked If there was anything else for the good of Kiwanis, seeing none, she ended the meeting with the ringing of the Bell.
