President Maureen welcomed members and guests to our 26th Annual Ploughman's Lunch, held on Thursday, June 18, 2026, at the Children's Safety Village.

The Ploughman's Lunch continues to be a recurring, brand-enhancing, high-impact, and membership-focused fundraiser for our Club. This long-standing event provides local businesses with an opportunity to recognize and thank their employees by purchasing a substantial Ploughman's Lunch. It offers employees a welcome change from their usual homemade lunches and, with the warm June weather, the chance to enjoy their meal outdoors.

Approximately 35 Club member-volunteers, supported by 20 friends, family members, and community contacts, gathered to prepare and distribute lunches to businesses throughout Brantford, Burford, and Paris.

Assembly of the 600 pre-ordered lunches began at 8:00 a.m. and was completed by 10:30 a.m. Thanks to the outstanding teamwork and organization of our volunteers, all lunches were delivered well before the noon lunch hour.

The success of the Ploughman's Lunch enables our Club to continue supporting important community service projects, including the Children's Safety Village, Children's Summer Camps, Strong Start, and many other initiatives that benefit children and families throughout our community.

Congratulations and thank you to everyone who contributed to another highly successful Ploughman's Lunch. Your dedication, hard work, and community spirit continue to make a positive difference in the lives of others.

As the saying goes, *a picture is worth a thousand words*. While the numbers tell part of the story, these photographs below truly capture the spirit of the day.

Congratulations and Thank You!
