EDITOR'S MESSAGE

Winter is a season that invites reflection, on the year behind us, the people who inspire us, and the work still ahead.

This year, I'm especially excited to invite you to our Mid-Winter Conference in Hood River and to share that we will be welcoming very special guests from Kiwanis International, including International President Michael Mulhaul and Vice President Cathy Szymanski.

Their presence is a meaningful honor for the Pacific Northwest District and a great opportunity for Kiwanians to connect, learn, and be inspired. If you have not yet registered, I encourage you to join us, it promises to be a terrific weekend of fellowship, leadership, and renewed energy for service.

We hope you enjoy this Winter issue of The Builder, and that it leaves you feeling informed, encouraged, and inspired. As always, please continue to send your club updates, service stories, and photos, we love sharing the great work you're doing throughout the district and highlighting the many ways Kiwanis is making a difference.

A message from 2025-2026 Governor John Flaherty

Happy New Year!

I hope everyone enjoyed a joyful and safe Christmas and New Year.

I want to thank you for the many projects you carried out and the meaningful service you provided to families and individuals in your communities throughout the holiday season. Your commitment truly makes a difference.

As we move into the new year, remember that community needs extend well beyond the holidays. Many clubs find great success by partnering with their Service Leadership Programs (SLPs) and other community nonprofit organizations. These collaborations strengthen our impact and help ensure that Kiwanis service is felt year-round. Please keep up your outstanding work.

On another important note, it is never too early to begin planning for succession, both at the club level and with Division Lieutenant Governors. Thoughtful leadership planning is essential to the continued strength and success of our organization.

I hope to see many of you at Mid-Winter on February 6–7. It will be a wonderful opportunity to connect, learn, and celebrate our shared commitment to service.

In Service and Friendship,
John Flaherty, Governor 2025-2026

Kiwanis Club of Bend: A Lifeline for Central Oregon's Youth

When you think about what makes a community truly vibrant, the answer often lies in how we care for our youngest members. Enter the Kiwanis Club of Bend, a dedicated group of volunteers with a mission as noble as it is vital: improving the world, one child and one community at a time. This local chapter, part of the global Kiwanis organization, is back and stronger than ever, ready to make a significant difference in the lives of the youth of Central Oregon.

A Rich History with a Bright Future

Founded in 1924, the original Kiwanis Club of Bend has witnessed nearly a century of change. After a challenging pause due to COVID-19 and declining membership that led to the club relinquishing its charter in 2020, hope flickered anew with its re-chartering on August 29, 2024. With the community rallying behind this initiative, the club is now experiencing remarkable growth, bringing fresh energy and renewed commitment to its mission of supporting local youth.

Located in Bend, OR, the club is easily accessible for anyone wanting to lend a hand or learn more about their initiatives.

Leadership You Can Trust

At the helm of this inspiring organization is President Barbara Jackson, whose leadership is matched by an enthusiastic team. Vice President Kristi Douglas, Secretary Cristi Moore, and Treasurer Jill Armstrong work alongside board members Yvonne Ward, Ginny Schider, Barbara Hart, and Linda Fisher-Berlanga. Together, they form a passionate team that drives the club's vision forward, embodying the commitment to uplift young lives in Central Oregon.

A Focus on Youth Empowerment

What truly sets the Kiwanis Club of Bend apart is its singular focus on youth. The club is dedicated to raising funds and resources to assist local organizations that serve children. By forging partnerships and lending credibility to various programs, the club plays an integral role in ensuring that every child in the community has access to safe and supportive environments to thrive.

Among their numerous collaborations, the Kiwanis Club of Bend proudly supports: Ronald McDonald House, Every Child Central Oregon, The Giving Plate, CASA (Court Appointed Special Advocates), and Salvation Army Bend Corps.

Additionally, they nurture the next generation by sponsoring two Key Clubs, youth-driven Kiwanis clubs at Caldera High School and Trinity Lutheran School. These clubs empower students with leadership skills, community involvement, and a sense of belonging.

Looking Ahead: Future Plans

As the Kiwanis Club of Bend continues to expand, its future plans are just as ambitious and heartfelt. The current focus is on assisting Central Oregon Baby Resources, an organization committed to providing essential items to families with young children in need. By supporting children aged 0-5 from diverse backgrounds—many of whom may be in foster care, experiencing homelessness, or facing tough circumstances—the Kiwanis Club is directly impacting the foundation of future generations.

Get Involved: Be a Part of the Change

As the Kiwanis Club of Bend works tirelessly to uplift their community, they invite others to join them in this rewarding journey. Whether you're interested in volunteering your time, making a monetary donation, or simply spreading the word about their initiatives, every little bit helps in their mission to support the youth of Central Oregon. The heart of this community beats stronger when we work together, and the Kiwanis Club offers a welcoming space for anyone willing to lend their talents and passions.

In a world where challenges seem ever-present, the Kiwanis Club of Bend stands as a shining example of resilience, service, and hope. They remind us that when we unite for a common cause—especially the welfare of our children—our efforts can create ripples of positive change that resonate throughout our community. Let's embrace this opportunity to support our youth, foster their dreams, and ensure that every child has a chance to shine. Together, we can build a brighter tomorrow, one child at a time. <https://www.centraloregonlocalbuzz.com/p/your-monday-buzz-local-cause-spotlight-kiwanis-club-of-bend>

Looking Back on 2025 and Looking Forward on 2026 with the Kiwanis Doernbecher Children's Cancer Program.

The KDCCP is coming off a great 2025 year because of Kiwanis in Oregon and SW Washington. In 2025, the KDCCP achieved the milestone of raising a total of 5 million dollars for Doernbecher Children's Cancer Program. Thanks to the Kiwanis Clubs, Individuals, and Businesses throughout the years.

Here are some of the highlights from 2025.

The KDCCP supported the SW Washington Kiwanis Charity Golf Tournament held at the Club Green Meadows in Vancouver. Benefiting the Doernbecher Children's Cancer Program. The SW Washington Kiwanis are simply amazing. They raised \$18,000 for the KDCCP in 2025. Thank you, SW Washington Kiwanis.

The Florence Kiwanis Golf Tournament presented the KDCCP with a check for \$5,000.00 at DCON in 2025. Plus a check for \$520.00 from KDCCP collection cans in local merchants in Florence.

Many Kiwanis members are KDCCP Sustainable contributors. We can never thank them enough for the wonderful continued support.

Thanks to all the Kiwanis Clubs that have added the KDCCP to their annual budgets. The Kiwanis Club impact on our fundraising efforts makes all the difference.

In 2025, the KDCCP held a raffle for a custom-made golf putter. The professional putter was made and donated by the Bradley Putter Company in Grants Pass, Oregon. The winner of the putter was our very own Nicholas Hafez.

The KDCCP Board Members Annual "Meet the Fellows" luncheon with the Fellows, OHSU Staff, and the OHSU Foundation. The Foundation Staff goes all out to support the KDCCP Board, and this Annual luncheon is a highlight for KDCCP board members. At the luncheon, we met the Fellows and heard firsthand their personal stories in their fight to end childhood cancer.

The KDCCP is proud to announce the addition of 5 new members to our Board.

Stephanie Patterson, Mary Stocks, Wallie Downs, Gregg Hannon, and Terry Hopkins.

This year, we also touched our toes into the digital world with the "Giving Tuesday" campaign. Thanks to all the individual Kiwanians that contributed.

What did we learn in 2025? That our Kiwanis friends are the heartbeat of the KDCCP. That our mission to support the Doernbecher Fellowship program is wonderful. There is never enough space to share everything that we do. Please visit our website at www.KDCCP.org to get detailed information about us. We learned that it doesn't hurt to ask. You can always make a donation on our website at www.KDCCP.org.

So what does the KDCCP 2026 look like?

We have 3 new projects that we are working on.

The 1st project is an Online Auction with the Travel Theme of "Explore Oregon & SW Washington". The KDCCP will be reaching out to all our Kiwanis Clubs asking for your help on this. Check our website for details. www.KDCCP.org. The 2nd project will be a Casino Night on the Willamette Queen Sternwheeler in Salem on May 2, 2026. We are still working on the fine details, but we can tell this will be a fun night.

One of the most exciting events for Kiwanis that is in the works for 2026 is an enhanced “Frank’s BBQ” presented by the KDCCP. We will be celebrating Frank & Beth Morehouse for their contributions to the KDCCP. We will be working with the Tigard Kiwanis club to make this an outstanding event. Right now, we are in the beginning stages of planning and will be letting all of our Kiwanis Friends know all the details soon. The target date is August 2026.

Coats For Kids From Kiwanis this Winter

The Mt. Hood & Greater Portland Area Divisions came together to support the South Riverside Foundation's project of Coats For Kids. The Kiwanis clubs of Tualatin, Cedar Hills, Montavilla, Columbia Gorge, Tigard, Hillsboro & Ross Island Earlyrisers plus their members along with donations from the public raised over \$9,000 to buy 568 coats for low income kids in the Portland, Oregon metro area. Several club members along with the Cherry Park United Methodist Church, Governor John Flaherty's church, helped with distribution of the coats to schools & organizations.

We used the supplier Dollar Days that Kiwanis International endorsed. The foundation believes giving a child a new winter coat has a dramatic and measurable impact on a child's self esteem, on their participation in school activities plus in their ability to learn. The need for winter clothing is so great that new winter coats should be distributed in late fall. Any questions on the project please email solbergcary@gmail.com.

The Columbia Gorge Kiwanis Making Spirits Bright! – Kiwanis in Action

The Columbia Gorge Kiwanis Club in Troutdale partnered with the Multnomah County Sheriff's Office (MCSO) and the City of Troutdale to be present in the community through various events planned throughout the year. This holiday season, our first joint event was called "Making Spirits Bright" and it was a Community Toy Drive.

Through the generosity of the community at the Toy Drive that was held on November 29th at Fred Meyers, Kohls and Walmart, we collected over 1,069+ toys for children whose families could use a little extra cheer and support this holiday season.

The Columbia Gorge Kiwanis Club members and club donated trunk loads of toys that also included bicycles, helmets, locks and scooters along with many books.

The "Making Spirits Bright" Community (free) Toy Giveaway occurred on December 13, 2025 from 09:00am to 12:00pm at Wood Village Baptist Church. Each family that came to the event could pick out 6 gifts. There were also stations for crafts for the children while the family's shopped.

Our 4 sponsored Key clubs were also volunteering at the toy giveaway. Each family had a key clubber as a personal shopper and along with the other community volunteers all gifts were to be wrapped prior to the families leaving the event.

This was a wonderful testament that highlights our Kiwanis mission statement by making a lasting difference in the lives of children by being a positive influence by serving our immediate communities that we live in.

The continued partnership with our community members will show children and families a positive environment where children can thrive as they see communities come together thru positive community engagement.

WHAT IS YOUR WHY?

Years ago, I sat beside an older gentleman named Bob Olson. He asked about my background, listened intently to my answers, and then thoughtfully said, “I think you’d make a great addition to our Kiwanis club and be enriched by the experience.” He wasn’t wrong. I thank him often, even though he is no longer with us. I know many of you have a similar story.

Which brings me to an important question for everyone: **What is your WHY?**

Your “why” is your core purpose, cause, or belief—the personal compass that guides your life and work. It is often expressed simply: To contribute something so that a positive impact occurs.

For Kiwanians, there are many reasons why we joined Kiwanis and why we continue to serve. For example:

- I want to give back to my community.
- I am aligned with the values of Kiwanis.
- I want to make a difference.
- I want to improve my leadership skills, and Kiwanis gives me that opportunity.
- I can express my patriotism by putting out flags on national holidays.
- I fell in love with our Service Leadership Programs and enjoy working with students as they grow and develop.
- I believed my business would benefit from working alongside like-minded people.
- I stay because of the great friends I’ve made.

All of these are excellent reasons.

Today, we see some members and clubs that are said to have “lost their why.” In many cases, these are individuals who have contributed enormously to their clubs and communities but are no longer able to perform the work they once did. What remains is a remarkable legacy—one built on service, impact, and lasting memories.

Now is the time to be a mentor. Now is the time to be like Bob Olson: to listen, to connect, and to ask someone to join your club so the legacy continues. Everyone remembers their Kiwanis sponsor—that special person who invited them in. Together, we can grow every one of our clubs, making them stronger and better equipped to meet the growing needs of our communities. And we must continue to welcome and support the new ideas that new members bring.

Your PNW Membership Team has tools, training, and support ready to assist club members in growing their clubs. Reach out. Let’s begin the dialogue. Let’s commit to honoring our past achievements while increasing our service impact in every PNW Kiwanis club.

Since “Season of Giving” is this issue’s theme, remember this: asking someone to join your club may be one of the most meaningful gifts they receive—and one they will cherish for many years to come.

CLUB SERVICE SHOWCASE

Kiwanis Club of Canby Shares Holiday Joy with Local Families

When red barrels and Poppi the Penguin show up in November, Canby knows it's time for a long-standing tradition: The Kiwanis Canby Community Food & Toy Drive.

Started by Kiwanis Club of Canby in 1958, this holiday event embodies the spirit of sharing and caring. Kiwanis members taking the lead, but the entire community comes together to provide toys and food for neighbors in need. Church groups, scouts, businesses, individuals, and other civic groups work side by side to make the holiday magic happen.

The 2025 drive, completed on December 13, served 532 families, providing toys for 980 children and food for 2,158 people. "We definitely saw a greater need for food this year due to the rising cost of groceries," said Sharon Schneider, long-time chair of the event. "Thanks to the financial support of local businesses and our own Kiwanis Thrift Store, we were able to provide about \$40,000 in food support to our neighbors. And more than 60 businesses helped collect toys in our bright red barrels, so each child from newborn to age 18 could have several gifts under the tree," Schneider added.

Club president Judy Neighbours said, "The entire process of planning and executing this event couldn't happen without the efforts of our entire club. Nearly every member played a role. But what we love most is working alongside others in the community – and seeing all the happy faces! We love helping families who just needed a little extra boost to get through the holidays. It's a great way to serve children right here in our own community."

~ Luana Hill, Kiwanis Club of Canby

Sandwich the Dog, the Canby Kiwanis mascot, helped collect coins from local schools. Poppi the Penguin, is the drive's mascot.

It's a tradition for Canby Rotary to join with Kiwanis for "bagging night," where the toy bags are gathered for each family.

Kahut Waste Management donated more than 40 bikes, which employees assembled & donated, along with helmets.

Community members arrive bright and early on the last day to deliver toys and food cards to families who couldn't get to the fairgrounds for pickup.

KIWANIS “[FIND A CLUB](#)” TOOL

The Kiwanis “[Find a Club](#)” feature on our website helps connect interested individuals with local clubs and the broader Kiwanis community. Each month, this tool generates an average of **300 inquiries**, introducing hundreds of potential members—many of whom ultimately join Kiwanis. Prominently displayed on our website, it offers an easy and accessible way for people to learn more about our organization.

SELECTING SPECIFIC CLUBS – “[FIND A CLUB NEAR ME](#)”

Prospective members interested in joining a specific club can use the “[Find a Club Near Me](#)” tool to select their preferred club and request to be contacted by its leadership. Once an inquiry is submitted, both the **club president** and **club secretary** automatically receive a notification stating, “*Someone is asking about [Club Name and Number],*” along with the prospect’s contact information. Clubs are strongly encouraged to follow up within **1–3 business days**.

As a courtesy, the **district membership coordinator**, **district governor** and **district secretary** also receive a copy of each inquiry. No action is required from them unless the district has specifically requested their involvement.

Please note: This is a fully **automated system**—no manual processing is required.

DISTRICT FOLLOW-UP AND COORDINATION

District membership teams are strongly encouraged to follow up with the appropriate **club secretary** or **club president** within **one week** to ensure that each prospect has been contacted and to determine whether the district membership team can assist with the lead.

Some districts may choose to designate a specific individual—separate from the officers who receive inquiries—to manage prospective member follow-up.

If your district has appointed a representative, please email **Gloria Bidgood** at membership@kiwanis.org with the individual’s name and email address so she can add them to the distribution list.

SHARING WITH OTHER CLUBS

Each **district membership coordinator** may decide to share membership inquiries with additional clubs. If you believe another club might be a better fit for a prospective member, please share the inquiry to give that club the opportunity to connect with the individual.

COMMENTS SECTION

The inquiry form includes a **comments section** that many club leaders find valuable for assessing a prospect’s level of interest and distinguishing genuine membership inquiries from other types of requests. This section also helps prioritize follow-up efforts.

Important: Some messages may not relate directly to membership (e.g., speaker requests, solicitations for donation or partnership inquiries, etc.). In such cases, **please forward the message** to the **appropriate contact in your district** or email it to membership@kiwanis.org.

Remember, “***Even a speaker request can be an opportunity to discuss the benefits of Kiwanis membership!***” – Dave Schmitt, California-Nevada-Hawaii District

PREVIOUS MEMBERSHIP IDENTIFICATION

Prospective members can indicate their relationship to Kiwanis by selecting one of the following options:

- Former Kiwanis member
- Former Circle K International member
- Former Key Club member
- Current Kiwanis member
- Non-member interested in joining a club

This information appears under the section labeled “**I am a...**” on the inquiry form.
