		As of 06/03/26

NOTES

- 1) **NEW TRAINING and NEW FORMAT!!!** Each presentation will be delivered with 1 or 2 experienced Leaders for each Role whether it's being delivered virtually or in-person. All Presenters will deliver the content in a podcast-style format, providing support, resources, and answers for returning, new, and future Leaders.

Whether you're a new, repeating or future Club officer, thank you for your service, but you can't have all the fun... Bring your Kiwanis friends to check out the Roles too. **No Cost** for CLE training. If you need any other info, contact District Secretary Dave Peason at dsec@pnwkiwanis.org, Gary Beller at publications@pnwkiwanis.org, or Vicki Frucci at mvm101@comcast.net.
- 2) **Virtual and In-person delivery methods:** Each module will be delivered in a podcast-style format, meaning questions will be posed to the 2 experienced leaders, for the answers, which will get to the most important "Why" related to your Role. It always makes it more meaningful, valuable, and fun when you know "Why" you're doing something. Attendees can also ask questions as time permits, write them in the Chat, or email us for a response, as noted above. Thanks again for being a Kiwanian!!
- 3) **Handouts and Resources** will be uploaded by the Leadership Role or Training Title as they come in. You can download and print them to bring to the training for your **note-taking**. Please come back and check **periodically** for any new materials that may be uploaded at:
(The link will be provided the week of July 8th)

We're looking forward to seeing you!
Vicki Frucci, mvm101@comcast.net

As of 06/03/26
