In Memoriam Loren Lee & Jim McAllister

The Pacific Northwest District of Kiwanis honors the memory of Past Governors Loren Lee (2000–2001) and Jim McAllister (1995–1996). We remember their leadership and service with gratitude and extend our heartfelt condolences to their families, friends, and fellow Kiwanians. May their example inspire us to continue serving children and our communities.

"A small team, committed to a cause bigger than themselves, can achieve absolutely anything."
– Simon Sinek

EDITOR'S MESSAGE

What a great way to close out another Kiwanis year! Our District Convention brought together more than 210 Kiwanians from across the Pacific Northwest, including a terrific turnout from Canada and Alaska. With great speakers, wonderful fellowship, and plenty of opportunities to share ideas, it was a weekend that reminded me why getting together as a District is so valuable.

Thank you again to everyone who attended and especially to the many volunteers who make the convention such a success.

October 1 also marked the beginning of a new Kiwanis administrative year. It's a chance for all of us to look ahead, to new leaders, new ideas, new service projects, and new opportunities to strengthen our clubs and communities.

As we begin this new year, I also hope you'll consider attending a District event, especially if you've never joined us before.

Here's to a great new Kiwanis year. I hope we'll see you in Hood River!

David Pearson

Builder Magazine Editor 2026-2027 - dsec@pnwkiwanis.org

A message from 2026-2027 Governor Don Gibbard

Kiwanis Clubs Are Where Service Happens.

Hello, PNW Kiwanians!

October has arrived and we find ourselves at the start of a new service year. It is an honor to begin this year as your Governor. As I look ahead, one question will guide much of what I hope we accomplish together: How can the PNW District better support your clubs?

Kiwanis clubs are where service happens. You know your communities, you build relationships, and you make a difference for children every day. I am encouraging our District leadership to listen to the clubs, understand what you need, and find practical ways to help you become stronger.

Growing Kiwanis will also be an important priority for the District. This year's Class of Governors has adopted the slogan "Growth Class." We have committed to reduce the trend of decline in our clubs and Districts. This is a lofty goal and will require a change in how we recruit and serve.

We will work to strengthen our existing clubs by focusing on the value Kiwanis brings to communities. This means sharing opportunities to make our communities a better place for children. In addition, I have adopted a District goal of opening at least three new Kiwanis clubs. New clubs mean new members, new ideas, and, most importantly, more communities benefiting from Kiwanis service.

I am also excited to make Erika's Lighthouse a special service focus this year. Erika's Lighthouse provides schools with free mental health and depression education programs for students. Their work helps young people understand mental health, recognize when they or a friend may need help, and break down the stigma around talking about depression. I hope PNW clubs will learn more about this important work and look for ways to support youth mental health in their own communities.

Most of all, I'm looking forward to meeting you. Please invite me to your club meetings, service projects, celebrations, and special events. I want to see firsthand the incredible work happening throughout our District and hear your ideas about how PNW can better serve you.

I hope you'll join us for our Mid-Winter Conference, February 5–6 in Hood River, Oregon. It will be a great opportunity to connect with Kiwanians from around the District, share ideas, and bring some new opportunities home to your club.

We have a great year ahead of us. I look forward to working with all of you!

Don Gibbard
Governor 2026-2027

Kiwanis
Pacific Northwest District

ANNOUNCING THE WOMEN IN KIWANIS AWARD

In 1987, Kiwanis International ended the 72 years as a men only service club and Kiwanis has never looked better! In 2027 Women will have been a vital part of Kiwanis for 40 years. To celebrate that and to honor the women making a daily difference in Kiwanis, the PNW Kiwanis Foundation created the Women in Kiwanis Award. We call it the Melanie Bozak Women in Kiwanis Award. Through her energy, passion and dedication to community, Melanie exemplified all that women have brought to the Kiwanis table. She held every office in her club, served as a Lieutenant Governor, Governor, District Chair, Builder editor and much more. For \$300 you can honor a special woman in Kiwanis with the purchase of this beautiful award.

THE PNW KIWANIS FOUNDATION – WORKING FOR YOU!

The Pacific Northwest Foundation is YOUR key to a better future for your communities and for the members of the Student Leadership Programs you support. We offer grants to clubs with dreams to improve their communities and scholarships to Key Club seniors and CKI members as they continue their educational journeys. Every year the Foundation receives far more grant requests and scholarship applications than it can fund. And, while we are here to fulfill club and student dreams, our dream is to double the number of grants and scholarships we can award each year.

You can help us achieve that goal through annual club donations and with the purchase of one of the several Fellowships, awards or plaques the foundation offers. These awards can be used to honor an outgoing club president, a club or community member whose service has gone above and beyond or in a manner your club designates. Best of all - your donations stay right here in the PNW growing our Kiwanis reach.

ONE COUPLE + TWO HEARTS FOR SERVICE
= A TREMENDOUS IMPACT!

Jewell and Carol Bailey have given of their time and hearts to both their local Portland club and the PNW Foundation for over 50 years. Consider honoring a club member exhibiting similar dedication to Kiwanis by purchasing a Heart for Service medallion.

TOGETHER WE CAN HELP CLUB AND STUDENT DREAMS COME TRUE.

Consider making a club or individual gift to the Foundation. \$500 will honor someone with a Bailey Fellowship. Other awards and fellowships are available for donations as little as \$100.

Scan the QR code to link to our awards or visit pnwkiwanisfoundation.org/donations

HELPING MAKE CLUB AND STUDENT DREAMS COME TRUE

If you have recently sent a gift, we thank you for your support!

- ☐ I would like to give \$500 to receive or honor someone with a Heart for Service medallion.
- ☐ I would like to give \$300 +\$15 shipping to receive or honor someone with a Women in Kiwanis award.
- ☐ Our club would like to make a gift to the Foundation in the amount of \$_____

Fellowship Recipient's Name: _____

Club / Donor Name: _____

To make a gift, clip this form and send a check payable to the PNW Kiwanis Foundation to: PNWKF Treasurer
Mike Mohan, 106 N. Main St, Prineville, OR 97754

PACIFIC NORTHWEST
KIWANIS FOUNDATION

A District Convention to Remember

What an incredible weekend! More than 210 Kiwanians from across the Pacific Northwest District came together for our 2026 District Convention, making it one of the highlights of our Kiwanis year.

From Alaska to California and from communities across Canada and the Pacific Northwest, our members brought tremendous energy and enthusiasm to the weekend. It was a wonderful reminder of what makes our District so special—the friendships we build, the ideas we share, and our common commitment to serving children and strengthening our communities.

We were also fortunate to have an outstanding lineup of speakers who inspired, challenged, and entertained us throughout the convention. Among our special guests was Kiwanis International Executive Director Paul Palazzolo, featured on the cover of this issue, who spent the weekend connecting with PNW members and sharing his perspective on the future of Kiwanis.

Of course, a successful convention doesn't happen without a tremendous amount of work behind the scenes. Thank you to everyone who volunteered, organized, presented, welcomed guests, led sessions, supported the auction, and helped make the weekend possible. Your hard work created an experience our members will remember.

Most importantly, thank you to the more than 210 Kiwanians who showed up, participated, shared ideas, and brought the spirit of Kiwanis to life.

What a great way to celebrate another year of service in the Pacific Northwest District!

Effectively use modern media in your community.

Public relations and marketing are key elements Kiwanis Clubs can utilize to help promote your local community service and fund raising projects. After a few years missing this topic in our PNW District, Governor Don Gibbard desires to have more emphasis placed on this. You will begin seeing PNW District Builder articles, newsletters, and potentially appearances at Division Council Meetings by our 2026-27 District Chair for PR.

Public Relations District Chair, Dave Towne, will be educating Kiwanis Clubs and their leadership on public communications strategies that will **"Spread the Kiwanis Word"**. Some of these key strategies will include taking full advantage of free legacy and social media platforms & tools to boost club visibility and carving out a more contemporary narrative for each club within their respective communities.

"Spread the Kiwanis Word" is the overarching theme we'll be using this year to emphasize how to effectively use modern media in your community.

Your club's use of media has become much more complicated with coordination of legacy and new 'social' media to Spread the Kiwanis Word for every project your club does. Dave first did this Chairperson function back in the late 1990s, when the legacy medias were paramount, and social media had not been invented, yet. Online web-based social media has become much more prominent, which is why he will be bringing you updated information on integrated and powerful approaches.

Now that the basic introduction has been done, let's examine what should be in every single media use that your club engages in to promote any project or event.

Every promotion you do should reveal these key points: Who, What, Where, When, Why and How Much.

Who – the name of your club. If one or more co-sponsor is participating, they should also be named.

What – identify the project name.

Where – state the actual location and street address where the project is being done. Too often, the street address is not included. This makes it difficult for some people to participate.

When - show the date(s) and time(s) for the project.

Why – if the project is supporting a specific 'cause,' reveal it in the media. If you're doing a fund raising project but are not directing the public donation income to a specific cause, your purpose statement can be generic, and a small portion of the raised funds can be transferred to your Admin Account. This is OK per a change in Kiwanis International policy as of October 2022.

How Much – disclose the entry cost to the event or a suggested minimum donation.

Up until web-based social media entered the promotion opportunities, the legacy media were relatively easy to manage by one or two club members.

Nowadays, the addition of the different social media's which can be utilized has added to the management and monitoring needs of multiple media choices. It may be necessary for clubs to designate two or more members to be the 'masters' of your media uses.

Legacy media includes print media, radio stations, cable and regular TV stations, direct mail, newsletters and promo flyers. Newer social media includes a club website, Facebook, Instagram, TikTok, Nextdoor, LinkedIn and YouTube.

Not all of these need to be used with each project, but the more of them you use, the broader your project exposure to the public in your community will be.

Going forward, Dave will provide more detailed info about the various media available to you via the communication outlets mentioned in this article.

But if you have questions about a specific media or want to implement any for your club use at any time during this admin year, please contact him.

For more information & assistance contact:

Dave Towne - PR & Marketing Chair

CLUB SERVICE SHOWCASE

Kennewick Kiwanis 100th Year of Service

The Kennewick Club kicked off their 100 anniversary on August 22nd with club participation by the local Tri-Cities clubs in the Benton Franklin Fair Parade. The Horse Heaven Hills Club brought their J&S Express train for us all to ride in. The Richland Club decorated their train car with S.I.G.N posters and information and TCI was on board to lend a hand as well. In addition, we dusted off and updated our cork project that we had taken to DCON a few years ago to advertise to the public our upcoming anniversary. We entered the project in the fair and won three ribbons; Best-of-show, Superintendents Choice, and Grand Champion. This even netted us prize money of \$175 for our efforts. Updating the cork project was lots of fun for our members to share a meal, work on something fun out in a shop in the country and just have a great time. The Club's actual celebration will be on May 15th in Kennewick.

~ Vickie Bergum, Treasurer - Kennewick Kiwanis

Announcing the 2nd PNW Kiwanis Fundraiser Cruise

Join Us Aboard the Discovery Princess for an Unforgettable Journey!

Set Sail for Service: PNW Kiwanis Fundraiser Cruise 2027

We are excited to invite you to the Pacific Northwest (PNW) Kiwanis Fundraiser Cruise, an extraordinary voyage that combines adventure, relaxation, and the opportunity to make a difference! Set your sights on the sun-drenched Mexican Riviera and join fellow Kiwanians, family, and friends for a week of fun, fellowship, and fundraising aboard the luxurious Discovery Princess.

Cruise Details

- Dates: January 9–16, 2027
- Departure Port: Los Angeles, California
- Ship: Discovery Princess
- Destinations:
 - Cabo San Lucas, Mexico
 - Mazatlán, Mexico
 - Puerto Vallarta, Mexico

Why Join the Cruise?

- Support vital Kiwanis service projects and initiatives in the PNW region
- Network and connect with fellow Kiwanians and their families
- Enjoy exclusive onboard events, seminars, and social gatherings
- Experience the beauty, culture, and excitement of Mexico's top coastal destinations
- Relax in style with world-class amenities and entertainment aboard the Discovery Princess

How the Fundraiser Works

A portion of each cabin fare booked through our special group program will go directly to support PNW Kiwanis projects. The more participants we have, the greater the impact we can make together! Look for additional opportunities to contribute through onboard activities and events benefitting our mission.

How to Reserve Your Spot

1. Contact our official Kiwanis cruise coordinator, Cindy Crowther for details on pricing, cabin options, and booking instructions.
2. Book your cruise early to secure the best rates and your preferred accommodation.
3. Invite friends, family, and potential new Kiwanians to join the adventure!

Important Information

- All Kiwanians, their guests, and supporters are welcome.
- Passports are required for this itinerary.
- Additional details, including special group events and fundraising opportunities, will be shared as the departure date approaches.

Contact & Questions

For more information or to sign up, please reach out to the PNW Kiwanis cruise coordinator Cindy Crowther at 20blueskys@gmail.com or call 541-419-9890.

*Don't miss this chance to cruise for a cause!
Let's make waves for service together—reserve your cabin today
and help us create lasting change in our communities.*

More Hands for Impactful Service

Real stories from PNW clubs and the impact of their growth.

Last edition, we shared inspiring stories of Kiwanis clubs whose growth created more hands for impactful service, and allowing them to launch new projects, expand existing programs, and make an even greater impact in their communities. Now it's your club's opportunity.

Consider three important questions:

How important is it for your club to deliver impactful service?

How important is it to have new members ready to step into leadership roles?

How important is it to retain and engage the members you already have?

These priorities are connected. Strong, engaged clubs have the people, leadership, and energy needed to respond when their communities need them most.

Your PNW More Hands for Impactful Service (Membership) Team is ready to work alongside your club.

1. Start by Listening to Your Members

A great first step, especially at the beginning of a new Kiwanis year, is conducting a **Member Satisfaction Survey**.

Member feedback helps your club understand:

- What members enjoy and value most.
- What could be improved or added.
- What members would like to do differently.
- What activities may no longer provide enough value.

Listening to your members is one of the most effective ways to strengthen engagement, improve retention, develop future leaders, and keep your club vibrant.

2. Listen to Your Community

Next, conduct a **Community Assessment** - a conversation with community leaders about changing local needs and where your club's time, talent, and resources can make the greatest difference.

There's another important benefit: these conversations introduce community leaders to Kiwanis, your club, and the impact you are making.

And they create natural opportunities to invite community-minded people to become part of that impact by joining your club.

Both the Member Satisfaction Survey and Community Assessment are part of Kiwanis' Achieving Club Excellence (ACE) tools. To access the ACE tools, click here: <https://www.kiwanis.org/members/club-toolbox/achieving-club-excellence/>

Past Kiwanis International Trustee **Jackie Sue McFarlin** is available to help clubs put these tools to work. She can be reached at jacsuemacs@icloud.com.

3. Plan Your Club's Future

Listening tells you where your club is today. **A Club Growth Plan helps determine where you want to go next, and how you will get there.**

Kiwanis has provided every club with a straightforward template for developing its growth plan. Clubs that submit a **Club Growth Plan** will receive support and guidance to help put that plan into action.

Your plan can help your club:

- Identify opportunities to attract new members.
- Strengthen engagement and retention.
- Develop future club leaders.
- Expand your capacity for community service.
- Turn your club's goals into specific actions.

A plan turns good intentions into action, and action creates greater community impact.

Club Growth Plan template:

https://www.cognitoforms.com/KiwanisInternationalFoundation/_20262027KiwanisClubMembershipPlan

4. We're Ready to Help

Your **PNW More Hands for Impactful Service (Membership) Team** can help your club explore strategies for attracting new members, engaging current members, developing leaders, and building the capacity to do more meaningful service.

You don't have to figure it out alone.

When your club is ready, let's connect:

Greg Wegrich

Membership Chair, 2026-2027

greg.wegrich@gmail.com

(360) 441-7082

Listen to your members. Listen to your community. Build your plan. Then put more hands to work.

Because **impactful service strengthens communities, engaged members strengthen clubs, and more hands allow us to do even more.**

Let's make this Kiwanis year one of **greater engagement, stronger clubs, and even greater community impact.**

Put Your Club's Project in the Spotlight

2027 Kiwanis Signature Project Contest

SUBMISSIONS OPEN JANUARY 2027

Celebrate the service that makes your club known in your community.

WHAT MAKES A SIGNATURE PROJECT?

- ✓ Recurring service project or fundraiser
- ✓ Makes a significant community impact
- ✓ Raises Kiwanis visibility
- ✓ Builds membership and partnerships

GROUP I

27 members or fewer

GROUP II

28 members or more

AWARDS IN EACH GROUP

GOLD
US\$2,000

SILVER
US\$1,500

BRONZE
US\$1,000

New projects may qualify if the club intends to continue them.

Start gathering photos, results and your project's story.

Entry forms will be available online in January 2027.

KIWANIS DOERNBECHER CHILDREN'S CANCER PROGRAM

For a future without children's cancer.

Frank's 2026 BBQ - Success!
***\$30,000 raised thanks to the generosity of those
in attendance and online donations!***

The KDCCP is so grateful to all the Kiwanians who joined Frank at his 2026 BBQ! The support for Frank and Beth Morehouse, as well as the KDCCP, was truly amazing. The Canby Kiwanis and the Tigard Kiwanis both brought over 8 members to the event. With more than 80 Kiwanians in attendance, many bought Raffle Tickets and also bought the Stuffed Bears donated by Dale DeVries in memory of his wife, Charlene.

The KDCCP received wonderful Raffle Baskets from The Grants Pass Chamber of Commerce, Mary & Dennis Stocks, Lonnie & Debbie Johnson, Greg Christy & Alicia Spooner, and 2 Baskets from The Dalles Kiwanis Club, The Tigard Kiwanis Club, and Bruce & Cindy Thomas. A complimentary Wine table was sponsored by Members of the KDCCP. There was also a beautiful Art Glass Salmon donated by Andy Nichols of the Nichols Art Studio.

The highlight of the event was the video of Frank re-telling his "Penny's Story". This video will become available to all our clubs in the near future. After watching his moving story Frank has a remarkable passion for the KDCCP. The KDCCP could not be prouder of his accomplishments during his time as the Kiwanis Governor of the Pacific Northwest. Frank Morehouse is a true leader with his kindness and tireless focus on helping children

A special thanks to our Master of Ceremonies, John Brookens, who led a very generous crowd through the Paddle Raise. The KDCCP also wants to thank the Tigard Club for their extra help with setting up and cleaning up.

Again, thank you for your support for over 40 years. We simply would not exist without the Kiwanis of the Pacific Northwest.

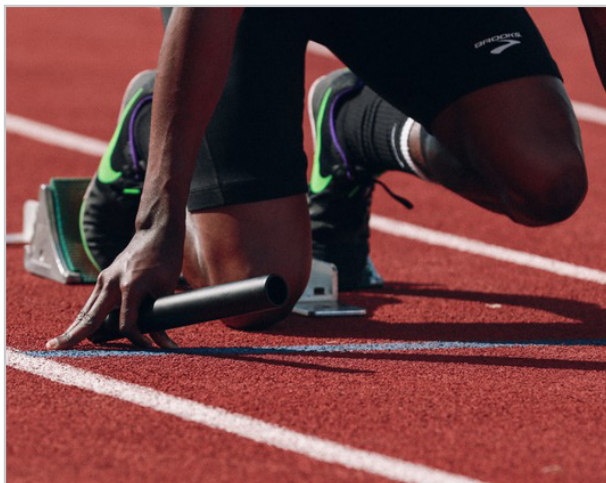

How many Happy Paddle raisers can you count?

Alicia, Susie, and John - supermodels for a great cause.

In the U.S. We Lose More Children to Cancer than All Other Diseases Combined.

We're in a race to defeat children's cancer. Our 'opponent' is relentless and this is a race none of us can afford to lose.

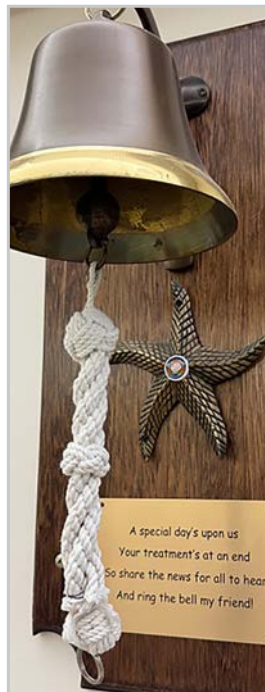

We're close, but it's going to take everything we've got to cross the finish line. That's why the KDCCP needs your help.

Kiwanis Doernbecher Children's Cancer Program funds fellowships to educate some of the brightest, most hopeful minds in children's Oncology / Hematology today. That's training, research development, and treatment application.

We are heading for a future where children's cancer is preventable and completely treatable. Please help us win by joining KDCCP's fight by donating today.

It's easy and quick: Scan the QR code below, Or go directly to www.KDCCP.org

Select and submit your donation option of \$25.00, \$50.00 or \$100.00 or any other amount. Choose— either Sustainable, or a One-Time donation. Thank you for your time and your contributions.

Help us to "Ring the Bell"

This bell hangs in the lobby of the 10th Floor at Doernbecher Children's Hospital. It rings three times in joy and celebration when each child finishes treatment and is heading home. It's a milestone, but for most patients, it isn't the end of the fight. There will likely be other treatments administered to them as outpatients, monitoring appointments to ensure even the smallest changes are noted and considered. Fighting cancer is a long and exhausting battle. Yet, every day these children and their families meet these challenges with hope and courage. Stand with them, and send your donation today!

Kiwanis
DOERNBECHER
CHILDREN'S CANCER PROGRAM
For a future without children's cancer.

Kiwanis Doernbecher Children's Cancer Program (KDCCP) is a 501C3 non profit organization. We are dedicated to ending children's cancer through our support of the Pediatric Hematology/Oncology Fellowship Program at OHSU Doernbecher Children's Hospital in Portland, Oregon.

Founded in 1985 the KDCCP Board consists of all Unpaid Volunteers. Learn more at www.KDCCP.org.

"Along with research and exceptional clinical care, education is a key pillar in the fight to end childhood cancer. Grassroots support is a critical component in funding education and specialty training."

Dr. Dana Braner, Physician in Chief, OHSU Doernbecher Children's Hospital
