In Honor of STEPHEN T. CZARNECKI

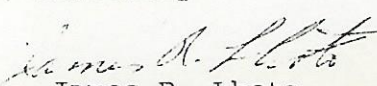

To: Kiwanis of Michigan Foundation, Inc.

The Industrial Center Kiwanis Club, located in Hamtramck, Michigan wishes to name Past Governor Stephen T. Czarnecki as a Distinguished Kiwanian. Steve is a Charter Member of our club which was founded in 1941. He has always participated with enthusiasm in all activities of our club. Steve served as President in 1946. Over the years he has served on many of our club committees both as a member or as chairman.

In 1955 Steve was elected to serve as Lt. Governor of Division #1, and as Governor of the Michigan District in 1965. He served as General Chairman of the committee that planned and executed the International Convention held in Detroit in 1970. It will be remembered as a most successful Convention-- initiating several ideas which were copied by later conventions. Steve still attends meetings of our club regularly.

In consideration of his many years of service to Kiwanis on the local, District and International levels, we take great pride in naming STEPHEN T. CZARNECKI a Distinguished Kiwanian.

Sincerely

  
James R. Lhota  
Secretary
