Roy Kaywood born January 20, 1901 in Boyne City, Michigan moved to Jackson, Michigan in the year 1915 and married his wife Vivian in 1930.

Roy incorporated Kaywood Products just before World War 11 in 1941 and was a manufacturer of the roller skate type unloading ramps. Soon after his company worked with government contracts.

In the year 1954, Roy invented and started manufacturing tie downs for mobile homes. Roy was a member of the ASTM Industrial Executives.

Roy joined the Kiwanis Club of Jackson, East on May 11, 1956 and has perfect attendance every year to date, a total of 33 years. Roy was elected President of the club for the year of 1960.

Roy is a fun fellow, loved by all the membership. His wise cracks and innovated ideas have made him a clown figure as our clubs fine master for the past three years. He is a big moose hunter with hobbies of Guns, Hunting, Fishing and Bowling.

Roy retired from Kaywood Products in 1982. At the age of 88 years, he resides with his wife Vivian at the Arbor North Living Center, 3000 Kingsbrook Dr. Jackson, Michigan.
