## RESOLUTION TO HONOR GLEASON TAPP AS A DISTINGUISHED KIWANIAN

Gleason has been a life long resident of the South Lyon area and has given much of himself back to the community both through his Kiwanis and personal activities.

Following high school graduation in 1934, he started to farm locally. In 1942 Gleason started a forty year career at Quanex Corporation - Michigan Seamless Tube Division. He worked as both an Industrial Engineer and an Industrial Manager.

June 1936 was an important moment in Gleason's life, for it was at this time he and Helen, his lovely wife of 53 years, were married. They have two children, a son and a daughter, and five grandchildren. His son is a dentist in Union Lake and his daughter is a nurse, both are in private practice. The careers his children selected reflect the caring and concern that is a major part of Gleason's own life.

Gleason's association with Kiwanis started in 1957. During the next 32 years Gleason has held each office within the South Lyon Kiwanis Club and is currently serving as Treasurer. He is an active member in all club sponsored events. When a volunteer is needed to work on a project Gleason can be counted on to be there. In addition, his duties as Treasurer set a standard for all others to follow. In 1982 he was awarded the LEGION of HONOR in recognition of his many years of contribution to the goals and ideals of Kiwanis International.

THEREFORE, BE IT RESOLVED, that, in recognition of his outstanding achievements and his deep felt appreciation and attachment for the services provided by the Kiwanis International, it is indeed an honor for the Kiwanis Club of South Lyon to designate Gleason Tapp a Distinguished Kiwanian of the Michigan District of Kiwanis International.

BE IT FURTHER RESOLVED, that on this twentieth day of November, 1989, the Kiwanis Club of South Lyon does tender to its member its sincere congratulation and extends the fond hope that the future years will be filled with good health and happiness.

BE IT FINALLY RESOLVED, that this resolution be spread at length on the proceedings of this day's minutes as evidence of out esteem and appreciation.
