WALTER 'WALT' FRISBY

Damman Hardware Co. -- 37 years

Joined Denby Kiwanis Club -- March 1, 1969

President -- Denby 1975 - 1976

Walt and Judy should remember "old days" in Denby with projects like:

1. Pancake dinners at Denby High School (remember clean up?)
2. Bake sales by the wives.
3. Transporting our Handicapped Girl Scouts to and from their weekly meeting.
4. Farm boy Walt (from South Dakota) tending the garden at the Lutheran School for the Deaf, under the supervision of Rev. Rod Rynearson.
5. Denby's 4-H project at Goodells, Michigan.
6. The Denby vegetable garden on John Belanger's "farm lot."
7. Miscellaneous supplies (courtesy of Damman's) to the Deaf School and more recently to the Kiwanis Builders Club, under the guidance of Bill McCasland.
8. Annual Peanut Sales.
9. Coordination of our annual Fruit Cake Sale through the Damman Hardware Stores. Walt yearly outsells the combined Denby membership.

CONTRATULATIONS to Walt, who has never refused to volunteer his time for a good cause --or defeat you on the racquetball court.
