

Timothy C. Yoe

Kiwanis Of Michigan Foundation, Inc.

TIMOTHY C. YOE

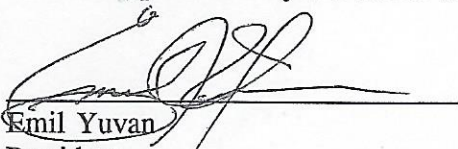

The Kiwanis of Michigan Foundation wishes to express sincere gratitude and appreciation to Timothy C. Yoe for his outstanding service to the Kiwanis of Michigan Foundation and other charitable endeavors throughout the Michigan District of Kiwanis International.

A charter member of the Kiwanis Club of Colonial Plymouth, Tim is active in all their projects of service. He was Treasurer and served with honor as a "Distinguished Club President" in 1979. During 1982-83, he served as Lieutenant Governor for Division 9N. He was a dedicated Trustee and Past President of the Kiwanis of Michigan Foundation which provides educational and recreational services for children at three hospitals in Michigan. He helped design an educational children's coloring book which is distributed free to hospitals throughout the Michigan District by local Kiwanis clubs. He is also a Trustee of the Plymouth Kiwanis Foundation.

Because of his compassionate understanding of people and their needs, Tim has shared his time and talents as Chairman and Member of many Boards and Organizations. Tim works very closely with the St. Francis Home for Boys focusing on help for disadvantage youth in Detroit. He is the first member of their Alumni Club to be elected to serve on their Board and served with distinction as its President during 1987 to 1990. Also, he has served on the Board of Plymouth Family Service and the Plymouth Community Fund and various committees of the Michigan Association of Certified Public Accountants, as a Lay Minister and member of the Finance Committee of Our Lady of Good Counsel Church, and as President of the Plymouth Council Credit Union. His seemingly unlimited knowledge of the working relationship of these human needs organizations, as well as his keen sense of monies has made him a pillar of strength to his community.

During Tim's service to his community, his strong humanitarian instinct and compassion, his profound sense of moral responsibility and his devotion to duty have made Tim well liked and a most respected member of his community. All persons who know him and work with him feel that indeed his is a "super guy".

THEREFORE, BE IT RESOLVED, that on this 23rd day of January, 1994, the Kiwanis of Michigan Foundation does designate Tim a Distinguished Kiwanian of the Michigan District and extends its sincere congratulations to a leader, a gentleman, and a friend and expresses its fond hope that the years ahead will be filled with good health and happiness.
