Edward Buday

A gentle man who has been a spark plug for our club with his strong but quiet leadership is Ed Buday. He has been a guiding force throughout his almost twenty years spent serving with the Charlevoix Kiwanis Club. Joining on April 26, 1988, Ed was quick to participate where needed. He has filled many roles as a committee member and chairperson. Ed has spent numerous hours with the "challenged" members of the Bergmann Center. This center provides vocational training for young adults who require the assistance of others to encourage them. Ed became a board member of the Center and was instrumental in the formation of the AKtion Club which flourishes today. He was named District Chair for AKtion Clubs by Governor Benjamin C. Probert in 2000 and remains in this position today.

Ed was given the honor of Distinguished President for his year in office 1995-1996. He also served as Lt Governor for Division 22 from 1998-1999. He also is a recipient of the George F. Hixson Fellowship award.

Ed and his wife are active members of their church, fulfilling many roles that are sometimes hard to fill. In addition to all he does, Ed is also one of our members responsible for the formation of a new Kiwanis Club in the city of Boyne City. Not one to relish the limelight, Ed is quick to say that he could not do what he does without the support of his fellow Kiwanian's.
