

John Nash

*John Nash*

## John Nash

Division 16 is proud to honor John Nash with this prestigious award from the Kiwanis Michigan Foundation. John has been inspiring not only to our division but to Kiwanians throughout the state. He has held many positions in Kiwanis.

His love for Kiwanis began with Circle K and he was the District Advisor for several years. His enjoyment in working with the college students was reflected in the Circle K leadership. You could see they enjoyed working with John and were excited about Kiwanis. He was a great role model for future Kiwanis leaders.

He has been Division 16 Lt. Governor twice, making a big difference in helping the Division grow and providing tremendous support with any problems that occurred. As Lt. Governor, he established a new club and went on from there to be the District New Club Building Chair. He has been the driving force in starting at least three new clubs and it is probably more.

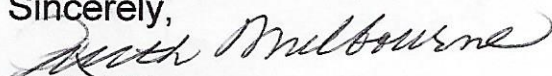

It is a pleasure to be with John when he presents the Kiwanis story to a potential member. He is articulate and makes people see and genuinely believe how we all make a difference in our communities and worldwide.

When he gives advise it is asked for and well thought out. John always has a gentle smile, a hand shake or a hug for everyone.

If you know John, then you know the two big loves in his life are his lovely wife Katy and Kiwanis. John Nash is a Kiwanian we may all take pride in.

He is a Division 16 Kiwanis hero.

Sincerely,

Ruth Milbourne,  
Lt. Governor, Division 16
