John C. Lachman

John Lachman joined the Kiwanis Club of Charlevoix May 7, 1962 and has been an active member since that time. He has worked on all positions within the club and has done a very commendable job in all that he does. As a committee member he pays a lot of attention to details. His written guidelines for the operation of the "Kielbasa Booth" give a good transition for all who follow.

John was a prime mover in our remodel and refurbishing of the "Sugar Shack" now renamed the Carson Building. He spent many hours getting estimates and seeing that the job was done the way we wanted it.

John was president two times and led the club to many good years. He is always willing to help in any way that he is able. His health has slowed him down considerably in the past few years, but his attitude is always positive and looking to the future.

John was a strong backer of the Kiwanis IDD program and saw to it that our club gave its fair share or more. We have 14 Hixson Fellowship members mostly due to his guidance. He also works with the "Bergmann Center" which helps people with disabilities both mental and physical. He was very instrumental, working with the center, in getting our AKtion Club started. The AKtion Club was the second one chartered in the Michigan District.

John also supports the efforts of the Marine Corps Toys for Tots programs and we work with them in providing and/or collecting and distributing the toys especially at Northern Michigan Hospital Pediatric Ward through the Kiwanis of Michigan Foundation.
