Alex, I'll take Distinguished Presidents for \$1,000.

Alex, the question is ....

- Who is the only three consecutive term President in the History of the Kiwanis Club of Woodhaven?
- Who is the youngest President in the history of the Kiwanis Club of Woodhaven?
- Who is the only President of the Kiwanis Club of Woodhaven to meet on Zoom, in a park, a community center, and a church?
- Who is the only President of the Kiwanis Club of Woodhaven to appoint both a Sheriff and Raffle Chairperson for Life?
- Who is the only President to move the location of the Southgate Police Sergeant Chris Cassette Memorial Golf Outing?
- Who developed the idea of Club Committee Nights to create greater membership involvement in Club Activities.
- Who brought trivia nights to the Kiwanis Club of Woodhaven to help make Kiwanis....FUN! AND, made sure there were questions for Katie.
- Who said, "Come to Kiwanis on Wednesday evenings and we will Youthenize you!"
- Who kept the Kiwanis Club of Woodhaven together, active, and meeting when Kiwanis Clubs across the Michigan District were closing down and turning in their Charters.
- Who developed the Elementary School Books for Media Center Program.
- Who went downtown Detroit, late at night, to get his Covid-19 vaccination for the safety of his fellow Kiwanians.
