Kiwanis Club of South Lansing

Kiwanis of Michigan Foundation
PO Box 231
Mason, MI 48854

The Kiwanis Club of South Lansing is proud to award a Distinguished Kiwanian Award to Margaret Klemens.

Although Margaret has only been a member of Kiwanis for about 5 years, she jumped in to Kiwanis service with both feet.

She IS the Toys 4 Tots Committee, helping our club win the division competition each year since its inception. She delivers weekend backpacks to Reo School throughout the school year and also serves at the Southside Community Kitchen.

When Governor Fran asked Michigan District clubs in 2020-21 to come up with a new YCPO project, Margaret joined the organizing committee, helped to develop the project and also manage the packing effort for our "new parent starter kits".

Most important, she is someone who can be counted on to volunteer for and be actively involved in any new project.

Margaret is also active in the community, joining her church members in regular mission trips, shopping year-round for St Vincent's Home for Children and for Toys4Tots.

Margaret is a valuable member of this club and deserves to be recognized for her contributions to our club, to the children we serve and to the community at large.

Sincerely,

A handwritten signature in cursive script that reads "Les Coxon".

Les Coxon, President
