Club Historian
HAROLD F. SCHUMACHER

Be it known herewith that our friend, Harold F. Schumacher, is hereby recommended for the honor of the Distinguished Kiwanian in the Michigan District of Kiwanis International.

It is with great pleasure and enthusiasm that we, members of the Downtown Grand Rapids Club of Kiwanis, make this recommendation.

It is also fitting and appropriate at this time as Harold is recently retired as secretary to the Kiwanis of Michigan Foundation, having completed six years in the office. He has also served as President of the Foundation 1972-1973 and is the author of the Kiwanis of Michigan Endowment Trust. He has been a trustee of the Foundation since April 1969.

During his years of service on the Foundation Board of Trustees, he reorganized the structure to provide a sound financial operation for the future. He encouraged and sponsored Michigan Club support through effective communication, higher visibility, creative public relations, education and stewardship.

Harold Schumacher's professional status as an attorney, financial officer and partner in the firm of Warner, Norcross and Judd is of the highest order.

His long years of contribution, dedication and skillful application of Kiwanis ideals distinguishes himself in our esteem. He is past president of our club and has been Club Historian for some years.

Harold is an active lay member of East Congregational Church, where he has held many responsible offices and is currently the Chairman of the Board of Trustees and a Co-Trustee to East Church Permanent Endowment Trust.

Harold has been honored by the Masonic Lodge for his longstanding contribution to the Finance Committee of the Scottish Rite and other fraternal matters.

He is a devoted family man, a fine gentleman, and a Kiwanian we can all be proud of. His achievements and devotion certainly deserve our special recognition and thanks.

Paul W. Sydloski, President
Downtown Kiwanis Club of Grand Rapids
